teaching such critical skills as increasing returns by focusing on risk shows investors how to improve returns and avoid losses using disciplines very dissimilar to the methods of wall street

a new approach to investing based on how wall street insiders approach the market the indomitable investor deconstructs the stock market as the public has come to know it and reconstitutes it from the inside out from the perspective of the fortunate few who dominate wall street by revealing how top investors and traders think and act steven sears shows the stock market to be an undulating ocean of money with seasoned investors reading the waves others cannot teaching readers to think about the

market in radically different ways the indomitable investor shows how to improve returns and just as importantly avoid losses with disciplines deployed by people who almost always do exactly the opposite of what wall street says to do laying bare great fallacies the book explains that non professional investors wrongly think the stock market is a place to make money which is what wall street wants them to try to do the indomitable investor says otherwise and shows how wall street s best investors have a completely different focus explains the critical ideas and insights of top traders and investors in language anyone can understand and implement packed with material rarely shared off wall street that is used every day by professional investors introduces the 17 most important words on wall street teaches critical skills including how to increase returns by focusing on risk not potential profits how to use the stock market s historical patterns to optimize investment decisions understanding key relationships between stocks and the economy that predict what will happen to stocks and the broader market how to increase mutual fund returns with an easy adjustment that redirects the bulk of profits to you not mutual fund companies and how to analyze information like seasoned investors to move beyond statement of the obvious news reports that turn ordinary investors into dumb money accessible to readers of all backgrounds including those with a limited understanding of investing the indomitable investor will change how investors view the stock market wall street and themselves

in smart money dr teitelbaum conveys how to identify and overcome our emotional roadblocks that interfere with successful investing and he explores ways for people to develop greater trust in their ability to navigate their own investment decisions and to reduce their reliance on financial advisors we all have personality issues that can become impediments to successful investing in the stock market and lead us into pitfalls like buying high and selling low following the herd and searching for the next guru dr teitelbaum explains how addressing and overcoming our personal obstacles and implementing a set of guidelines such as distinguishing luck from skill leaving your ego out of investment decisions recognizing the value of self discipline avoiding self deception taming your inner con man and inner critic and tuning out the media noise will enable investors to achieve a greater degree of success praise for smart money in this painstakingly researched and well written book the clinical psychologist stan teitelbaum has applied his craft to something all investors know too well our emotions and human foibles often diminish our portfolio results he takes you through countless cases of common mistakes using markets and the heroes of the past as you read it you will personally identify with some of his examples and find yourself saying that s me as a result you are likely to learn some important money management lessons along the way byron wien vice chairman of blackstone private wealth solutions group stanley teitelbaum s disciplined approach to investing is a wise path for individual investors to build wealth over time his understanding of the stock market s volatility its cyclicalities its inherent risks and its history of performance informs that approach dr teitelbaum illustrates clearly how our own behavior and our very human impulses often lie at the bottom of our disappointing investment results and how recognizing and controlling our behavior can lead to successful investing al messina managing director silvercrest asset management group this is quite an engaging book about psychological perceptions of risk and its relation to stock investing it should

appeal to both financial types and a general audience edward n wolff professor of economics new york university

tools to develop a lifelong income free of fear in his forty years as a financial and retirement advisor bill riley has seen it all he has seen his industry neglect the very people it purports to serve riley has a better way and in forty years of investor mistakes he shares what you need to know now before it's too late riley wants to spare you the mistakes that he often sees among people preparing for retirement or who already are there those mistakes can turn dreams into drudgery as so many retirees learned so well in recent years as their proud portfolios dwindled it didn't have to be that way riley understands how troubling this new phase of life can be but he also knows you deserve the fulfillment you worked so hard to attain he has helped countless clients make the most of their savings and develop a lifelong income free of fear so they can reach their goals confidently in fact it all starts with goals he does far more than analyze your finances he gets inside your head for what purpose did you save that money riley focuses first on helping you figure out where you are going with your life because it's only when you see that destination that he can best help you get there along the way riley will make sure you have enough to live well day by day with discipline and dedication to fundamentals he can keep you out of trouble in tough economic times and help you to flourish in the good times he rallies decades of experience and teamwork to create a retirement plan designed just for you in forty years of investor mistakes bill riley shows you the better way the culture of caring as he calls it he brings you the kind of retirement planning that will help you to live well sleep well and preserve your legacy for generations to come
