transform young learners into independent readers and writers this easy to use classroom resource is packed with routines lessons centers charts resources and teaching tips break key literacy concepts and skills into manageable teachable pieces

teachers trainees and learning support assistants will find this lively and accessible book combines creativity with skills teaching to stimulate and improve children's writing both at foundation and primary levels based on the concepts and objectives of the national literacy strategy. The content is well founded in experience research and classroom application. Special features include advice on planning linking to NLS objectives and selecting texts demonstration scripts for teachers to use in the classroom annotated extracts from quality literature to help children read as writers practical advice on strategies to use in guided writing and examples of children's work that show how to assess the children's writing and set next step targets. The authors show how you can use drama techniques story stacks artifacts and scenarios to engage children in writing both in fiction and non fiction right across the curriculum.

ESL readers and writers in higher education describes the challenges ESL students in US postsecondary institutions face when studying in a second language and offers suggestions for how teachers advisors tutors and institutions might provide support that meets the reading and writing needs of this very important student population because the ESL profession as a whole including what professionals are doing in the classroom sits under the umbrella of an institutional response to a language related challenge. Some solutions aimed at helping students achieve optimal proficiency lie outside of the classroom as such this book is based on the assertion that language development support is not the sole responsibility of language teachers everyone on campuses that hosts ESL students bears some responsibility for these students language development. Chapters are therefore intentionally adapted to appeal to a wide variety of readers from classroom teachers and teachers in training to admissions officers academic advisors and international student advisors.
