i wanted to know what they were experiencing and why to us they feel so compelling and so close this time i allowed myself to ask them the question that for a scientist was forbidden fruit who are you weaving decades of field observations with exciting new discoveries about the brain
carl safina's landmark book offers an intimate view of animal behavior to challenge the fixed boundary between humans and nonhuman animals
in beyond words readers travel to Amboseli National Park in the threatened landscape of Kenya and witness struggling elephant families work out how to survive poaching and drought then to Yellowstone National Park to observe wolves sort out the aftermath of one pack's personal tragedy and finally plunge into the astonishingly peaceful society of killer whales living in the crystalline waters of the Pacific Northwest
beyond words brings forth powerful and illuminating insight into the unique personalities of animals through extraordinary stories of

animal joy grief jealousy anger and love the similarity between human and nonhuman consciousness self awareness and empathy calls us to re evaluate how we interact with animals wise passionate and eye opening at every turn beyond words is ultimately a graceful examination of humanity s place in the world

this guidebook is designed to facilitate the use of beyond words materials by drawing on their own teaching experiences the authors offer suggestions for attaining teaching learning goals and for overcoming difficulties in using the movement observation and analysis programme many of the creative adaptations described come from individuals at different institutions who tested beyond words while it was being developed it is not intended therefore as a prescriptive document but rather as a guide which provides many alternative ways of utilizing beyond words and which leaves the rest to the instructor

responding to the view that people with profound intellectual disabilities cannot enjoy spiritual experiences this book pushes the boundaries of intellectual disability theology thought provoking and sensitive this book poses important questions about the nature of faith and how the church treats people with intellectual disabilities

prayer can go far beyond words and johnson shows how to do prayer while sitting walking listening and more

how can what is always eternal be spoken of in temporal terms how can god who is far above us all be upon this earth and found to be dwelling among us and how can we be a refl ection of him how can it be that god is in his creation and his creation in god is the father not the hidden one from whom all things come is the son not the saving one by whom we are redeemed this day is the spirit not the guiding one through whom we shall come to heaven and are we not called to be as he is one with the one lord forever

this book critiques the assumption that western creativity is cutting edge and explores how it may have contributed to crises in education society and ecology in its exploration of classroom dynamics gender implications and nonviolence curriculum it advocates for daoist creativity which emphasizes relationality and interdependence

a funny poignant and illuminating masterclass on zen philosophy and practice from a beloved teacher zen bridge collects dharma talks given by the zen master keido fukushima roshi fukushima roshi s anecdotes on his own training are humble hilarious and full of wisdom his reflections on classical teachings intermingle with personal stories allowing them to be

accessible to all readers while at the same time transcendent the power and authenticity of this true zen master shines through in his words this book includes black and white illustrations of basic sitting and hand posture for meditation as well as selections of fukushima roshi s calligraphy
