explores the economic face of china and what its emerging capitalism means for the country s citizens the story of four people s daily lives draw the reader into a society where everything is changing and where the desire for political

freedom is superseded only by the desire to get rich quick

this book represents snapshots of shanghai with speculations on their meaning as china opens to the west and undergoes yet another shift towards modernity

new media for a new china is a timely introduction to the current state of the mass media in china and its growing role in the 21st century global communication system brings together an international cast of scholars to analyse the diverse roles of china's media covering all the major industries advertising newspapers broadcasting magazines film tv pr considers the position of china's media in the middle of the country's tremendous social economic and political changes explores the concept of the 21st century as china's century because of the nation's unprecedented growth

china has experienced rapid changes in the past two decades a new china written from the perspective of a foreign student who has just arrived in china has been designed to provide up to date material on the changing face of china the text compares contemporary china with its pre reform era and emphasizes improvements in chinese society as in previous textbooks a new china aims to provide a solid foundation in grammar and pronunciation rather than teach vocabulary geared toward specific usage as a new feature the textbook includes vocabulary words on the same page as the lesson text making comprehension of new reading passages easier for students a new china is appropriate for intermediate level students and includes both traditional and simplified characters

this revised and updated new edition provides a comprehensive introduction to the history of cinema in mainland china hong kong and taiwan as well as to diasporic and transnational chinese film making from the beginnings of cinema to the present day chapters by leading international scholars are grouped in thematic sections addressing key historical periods film movements genres stars and auteurs and the industrial and technological contexts of cinema in greater china

the book is about the revival of china in the 20th century and the first decade of the 21st century it has eight parts 1 the civil revolution in china 2 the countryside bases 3 the long march of the red army 4 the anti japanese war 5 decisive civil

battles before the establishment of the people's republic of china 6 the mao era before the great cultural revolution 7 the great cultural revolution and 8 the reform and opening up this version of the book is without pictures

an entertaining fact filled journey through the past two decades of chinese and american business interaction stress chapters on the adoption of modern management practices in china shine for their detailed analysis and their extremely thorough use of primary chinese language newspaper and magazine documentation his two chapters on americans and their expatriate lives in china are also well written and complete china review international spring 1994

this book represents the most important academic achievements won by dr renzhi hou one of the founding fathers of and pioneering researchers in the modern historical geography of china his collected papers and speeches spanning from the 1940s to the 1990s serve as a window into hou's academic experience as well as the development of the historical geography of china during the second half of the 20th century dr hou has made his greatest contributions mainly in two areas namely urban historical geography and desert historical geography roughly a quarter of this book is devoted to the former and above all to the study of beijing's historical geography and its influence on urban planning it is worth noting that from beijing to washington a contemplation on the concept of municipal planning presented here is the only historical geography based comparative study of a chinese city and a western one by a chinese scholar dr hou's studies on desert historical geography have garnered him a prominent reputation in the natural sciences academia ancient city ruins in the deserts of the inner mongolia autonomous region of china also included here can be considered a masterwork moreover many of his original thoughts on some interesting topics can also be found in this book such as the communication between china and africa in ancient times and the rediscovery of the value of geographical classics in the modern context

featuring new evidence on mao stalin and the road to the 1950 summit the 1954 geneva conference sino albanian summits 1961 67 mongolia and the cold war north korea in 1956 romania and the sino us opening cover

the effects of the deregulation of the chinese university system have been nothing short of spectacular for the first time since 1949 students possessing neither gifted intellect nor political connections have been able to share in the benefits of

higher education while a flood of international educators have opened up a previously cloistered and politically sensitized academic world this fascinating book examines china s higher education system and how it s new and unique blend of foreign and chinese perspectives impact on both the lives of students and academics and wider chinese society viewed with suspicion as a new type of chinese by the older generation and by the government they are at the same time the very entrepreneurs driving the economic and social revolution sweeping the country using a range of in depth interviews and unique research it provides open and often frank accounts of life work and education in china from the cultural revolution to the creation of its market focused entrepreneurial generation candid and illuminating this is a book no serious reader of asian studies comparative education or asian sociology will want to be without

what we have attempted has been to gather and present in a way to be easily understood the most important facts respecting pottery and porcelain preface
