the traditional devotion to the sacred heart of jesus is solidly rooted in scripture and offers a rich source of spiritual renewal

today the human heart the biblical symbol for the human will and passion can become hardened but god has promised to change our hearts of stone to hearts of flesh the heart of jesus pierced and flowing with living streams of blood and water is a threshold inviting us into the experience of divine love discover how devotion to the sacred heart can be revitalized in our day through a spirituality that is biblical ecumenical and oriented toward the contemporary world

every single one of us have wondered if there is more to our relationship with god than what we see it is in him that we live move and have our being acts 17 28 with the utmost assurance this book will open your eyes so that you can see your relationship with god clearly and with a renewed sense of purpose and vision brandon m crooker a pentecostal preacher shares insights from the bible so you can trust in the lord with all your heart remain sober and vigilant against the devil assess your life with honesty and sincerity live life according to scripture the author also emphasizes the power of our choices a preacher he grew up listening to who said that we do not just make choices but we are made by our choices that is revelatory it is so simple yet so profound whenever you make a choice there is an intention and spirit behind that choice arm yourself with biblical knowledge and embark on a journey that will protect your heart from strife and in turn your soul from destruction it starts with matters of the heart

what are you treasuring in your heart and is your heart good ground i believe the condition of our hearts will determine how much of the power of god will continually work in our lives the condition of your heart does not affect how much god loves you or how he sees you god sees us perfect in christ jesus the condition of your heart will affect how you relate and see god blessed are the pure in heart for they shall see god matthew 5 8 god never condemns us but loves us unconditionally romans 8 1 the heart is affected by what we are looking at the people we hang out with what we are listening to what we are reading what we are watching whom we are speaking to the universities we attend or what we are focused on when our heart is like the heart of god the power of the holy spirit freely flows and is not restricted the bible says we access grace by faith but unbelief and doubt in the heart will choke faith and so we are not as fruitful remember in galatians 4 6 god sent forth the spirit of his son into your hearts crying abba father if our hearts are defiled with unbelief doubt fear or a sinful conscience we restrict the power of the holy spirit this occurs because the heart is like a conduit for the power of the holy spirit to flow out to our mind body soul and all that god desires to do in and through us if we put the world in we get the world out which leads us

to a defeated life and keeps us from entering into his rest the author uses scripture after scripture to show his point if you are a person who wants not just the author's opinion but also scripture to back everything up this book is for you

by looking upon the heart we can all be changed in an instant and live life more abundantly the mystery of the biblical heart is unveiled by integrating psychology and scripture to delineate the five dispositions of the heart the choice of which we morph into could either enhance or hinder the attainment of abundant life in christ throughout time people have been searching for the meaning of life and the way to find fulfillment it is the intention of this book to show how by looking upon the heart where jesus may live we can actualize healing and holiness at any moment in time in this in depth christian psychology and self help textbook the reader is enlightened as to what good and bad choices we can make about our character and personality the goal is to consistently be transformed morphed out of the unhealthy dispositions of the heart the broken heart and the hard heart into healthier ones the open heart sweet heart and the brave heart our first basic premise is that we all believers and unbelievers alike can and do spontaneously morph continually in and out of various dispositions character states and personality styles and so are capable of immediate transformation the second premise is that grace must prevail we all would be hypocrites if we judged because we are all morphing having our good moments and bad at any particular moment in real time ultimately the overall perspective is that the heart should be the most important human entity known to man the heart is the primary gatekeeper and decision maker and therefore the overall determiner of the whole person's behavior personal growth and spiritual maturity we are to embrace a complete understanding of the biblical heart its five dispositions in order to overcome psychological behavioral and relational dysfunction and sin only then can we successfully and consistently experience oneness with god through jesus living and actively operating within our hearts as a result of looking upon the heart the lord reigns and leads us to a life of victory in jesus
