this beautifully illustrated volume offers a rare study of isan thai customs and beliefs associated with pregnancy and birth and how they have changed over almost half a century

using a psychological and socio therapeutic framework anders poulsen discusses the function of various birth rites while giving an unmatched description of all traditions specifically connected to pregnancy and birth he includes an interesting description of the tradition of confinement by fire yuu fai and documents that it is still widely practiced contrary to what has been reported he also puts forward a theory of why some traditions maintain their importance while others fade away the findings of this study are supported by the transcription in isan and translated in to english of the ritual texts that are used in these rites

index of archaeological papers published in 1891 under the direction of the congress of archaeological societies in union with the society of antiquaries

Thank you extremely much for downloading
