civil war lesson plans and activities is a june 5 2000 article featuring internet based lesson plans and activities for history classes of all grade levels that focus on the american civil war education world inc provides the article online as part of its lesson planning center resource

argues that air intelligence played a crucial but largely overlooked role in the successful execution of the allied bombing campaigns against the third reich which in turn proved a decisive factor in both ending the war in europe and ending it as soon as it did

features the lesson plan the war of 1812 in the news provided by the educational resources information center eric of the national library of education the goal of the lesson plan is to help students appreciate the importance of newspapers in american history while learning different views of the war of 1812 discusses the grade levels objectives materials needed and procedures

takashi yoshida provides a historical analysis of war and peace museums from the late

nineteenth century to the present and traces the historical development of a pacifist discourse in postwar japan that centered on japan s war crimes and responsibility during the so called fifteen year war which began in 1931 with japan s invasion of manchuria and ended in 1945 with the nation s defeat prior to the defeat a culture of war gripped the japanese empire every segment of japanese popular culture during the war bore witness to the flood of patriotism in this book yoshida attempts to demonstrate that the acceptance of japanese wartime aggression and atrocities as historical facts remains evident to this day in the culture of peace museums in japan those who have little knowledge of contemporary japan often hastily conclude that the japanese have been united and monolithic in the way they feel the war should be remembered this book seeks to challenge that assumption

article abstracts and citations of reviews and dissertations covering the united states and canada

part i explores the evolution of total war in the 20th century part ii has students follow the progress of the scientific team assembled at los alamos as its members overcome a series of theoretical and technological hurdles in their race to produce a nuclear weapon

topics covered include children and youth drugs education environment foreign policy health hunger indigenous people migration and immigration population rainforests tourism and women
