as a central figure of the craft the moon holds a special place in any hedgewitch s practice through more than a hundred spells recipes and workings this two color hardcover book shows you how to honor our lady of the night and utilize her power to amplify your magic and affirmations discover lunar myths and legends as well as correspondences to herbs crystals and deities you will also learn how to connect with changing energies in each season and moon phase with guidance for drawing down the moon making moon water creating a moon altar and other sacred activities the hedgewitch s little book of lunar magic features ample inspiration for honoring and harmonizing with this revered celestial body

contemporary alternative spirituality as studied by sociologists is usually seen as a recent phenomenon dating from the 1960s and 1970s however when viewed from a longer term perspective this form of religious expression is actually seen to reintroduce concepts that recur throughout western cultural history this book argues therefore that spirituality in the 21st century actually shares many of the same characteristics as classical mediaeval renaissance and modern spiritualities it is neither entirely new nor is it clearly alternative to more established religions the book is divided into two parts the first sets out the context in which contemporary alternative spirituality has formed charting its development as an academic term and a social phenomenon the second part looks at how these two elements have developed in countries that are historically catholic focussing on specific examples in contemporary italy spiritualities based on the sacralisation of nature those concerned with health and wellbeing and those which are fascinated by mystery catholic majority countries are particularly interesting in this instance as the catholic church has a unique cultural hegemony with which to compare alternative spiritual practices it concludes that spirituality if framed in a longer historical perspective is a way of acting and seeing the world which was built and continues to be built upon complex relations with various contradictory sources of authority such as religion magic thinking secularism rationalism various spheres of lay culture this is a bold take on the spirituality milieu and as such will be of great interest to scholars of religious studies working on the sociology of religion contemporary spirituality and the rise of the spiritual but not religious

lunar abundance is a beautiful and practical guide for today s women on cultivating peace purpose and abundance in both their personal and professional lives guided by the phases of the moon in a world in which women feel increasingly disconnected from their inner selves each other and the world lunar abundance offers a path to reconnection with results that you can actually see it shows how by tuning into the natural rhythm of lunar ebbs and flows you can connect with work relationships your body and surroundings on a higher level than ever before becoming more productive and self aware in the process filled with inspirational photography and interactive features it s also a practical guide to self care that will help you summon your true potential and create a better life for you and for those in your orbit this beautiful book is perfect for any woman seeking holistic wellness and unique inspiration to feed mind body and soul

originally published element books 1994

within a society in which rational analysis and technology have been greatly developed but which has not known how to translate its material wealth into emotional and spiritual wellbeing the resurgence of the feminine is ever more necessary essential and unavoidable this book is a call and guide for healing and for developing consciousness of both women and men it offers tools to integrate feminine values as well as to humanize our relationships with ourselves the rest of society and with the environment it is about waking up to your own true power and your true nature beyond social and gender conditioning it is an invitation to go within in order to be in contact with our divine human potential develop it and then express and externalize it healing in this way our life and our relationship with mother earth in this voyage of initiation and as we overcome the repression of the feminine we dare to explore our most human dimensions as well as enter into contact with our most vulnerable sides turning them into allies and true strength the resurgence of the feminine contains an article by leonard orr founder of rebirthing breathwork and a prologue written by vandana shiva

for our ancestors the menstrual cycle was a source of wonderful creative spiritual sexual emotional mental and physical energies it was a gift that empowered women to renew themselves each month to manifest and create the world around them to connect deeply with the land and their family and to express deep wisdom and inspiration this ancient female teaching is still available to us in our mythology and nursery tales red moon will transform the way you think about yourself your cycle and your life back cover
