the four gospels matthew mark luke and john present jesus christ god himself breaking into human history the story of jesus and the early church should not end jesus christ laid the foundation for the church through his life death and resurrection as recorded in the four gospels the followers of jesus christ then continued his work by spreading the gospel through preaching and teaching and the planting of new churches to continue the work begun by christ and his disciples new church planting should be at the top of our list of priorities as it was in theirs from the prologue

the great commission provides more than a weekly activity of soulwinning or visitation it reflects the very heartbeat of god it is more than a directive for local church outreach programs it is god s plan for the establishment of local churches around the world god s passion is a church planting manual that will both challenge and equip you to align your heart with god s this book includes teaching on the biblical model of church planting as well as several chapters of intensely practical resources for both the sending church and the church planter these chapters will encourage you to make christ s last command your highest priority and to invest your life as a supporting church member a sending pastor or a church planter into the passion of god

this book covers all the crucial issues of the church planting task it tells how to organize and grow the new church working toward the ultimate goal of corporate reproduction

in our world today there is no shortage of books and manuals that tell a person how a church should be planted in most cases the books and manuals will highlight and specialize in one aspect or one methodology of church planting the book by its very title church planting this is not a manual sets itself apart from all the rest although certainly not a manual it is filled with insights real life stories and lessons learned through experience that will assist any church planter as he moves forward with his call from god to plant a church this is the story of church planting as a lifestyle much of what a church planter needs when he gets to the field cannot be found in a manual much of what he needs is to be found in life experience lived at the feet of jesus church planting is not a career choice it is a calling to a lifestyle the agee family has lived the church planting lifestyle together for more than thirty eight years their story of gods call gods provision gods sustaining power and gods grace will be a blessing to all who will take the time to read this book

church planting from the ground up is a visionary guide for the critical task of new church multiplication share in the wisdom of these field tested veterans as you gain insight from their stories practical ideas and real world experiences book jacket

j d payne explores the biblical historical and missiological principles of global church planting and suggests ways that readers can apply international church planting practices to their own contexts

church planting is one of the most challenging yet rewarding adventures you can embark on often zealous planters and their teams launch their new church prematurely without taking time to lay a firm foundation for long term fruitful ministry failure to do so often results in a weakened new church or even the new church closing after a few years rather than focusing on methodology the how to s of church planting this book gives attention to six foundational concerns wise planters will need to nail down before they ever plant biblical foundations theological foundations ecclesiological foundations missiological foundations spiritual foundations practical foundations although helpful for a wide range of planting leaders this book is particularly written for four specific groups those who feel called to plant and are making preparations their planting teammates and launch leaders those exploring church planting those who coach and train church planters foundations for fruitful church planting serves as a comprehensive resource that will guide you to think strategically plan carefully and prepare thoroughly to birth a healthy growing and reproducing congregation each chapter includes recommended resources discussion questions and follow through exercises

an instruction book for planting biblically faithful and culturally relevant churches this text address the how to and why issues of church planting by providing practical guidance through all the phases while taking a missional look at existing and emerging cultures

this book is a practical step by step guide for church planters and their coaches it covers everything they need to know to start healthy growing churches that are biblically faithful and yet culturally relevant while addressing the who why and where of planting new congregations this comprehensive manual focuses primarily on the how tos the authors use a five stage life cycle conception pre natal development birth infancy adolescent

growth and adult reproduction to flesh out the entire process of starting and growing a new church under each of these stages a host of essential ministry and planning tasks is addressed so the planter can keep his baby church on course and can have the joy of watching the new church grow to maturity and eventually reproduce itself
