research in action engages the researcher who wants to live up to the challenges of contemporary science and to contribute to innovation and social change this ambition to contribute to change raises many questions how to define the main target group of the research what role does this group play in the research which methods of data collection are most appropriate who are the commissioners of the research and do their interests match with those of the prime target group how to deal with power relations in research situations what do these issues mean for the relation of researcher with the people in the researched situation and last but not least what does it all imply for the researcher him or herself these questions have to be dealt with in situations in which the design and organization of the research is still open but also in situations where these have already been preformatted through the research proposal or earlier developments in any case they have to

be framed in the theoretical considerations of what is science this book aims to assist scholars and practitioners who would want to deal with this kind of research and questions the book does not offer recipes nor fixed scenarios it presents a series of practical research cases and theoretical insights by experienced researchers who themselves struggled with what is probably the most meaningful questions of the science today the practical examples of research in action are from different disciplines and include themes from health care policy research agricultural technology and education in northern and southern context four leading themes of research in action are introduced in the first chapter in the last chapter the editors return to the dilemmas research in action and try to clarify the options and responses that are possible in different situations

audio book out now it is now 25 years since the first edition of person centred counselling in action appeared offering the definitive exposition of the theory and practice of the person centred approach since then the book has supported and inspired hundreds of thousands of trainees and practitioners worldwide this important fourth edition maintains the book s accessibility clarity and verve whilst incorporating new developments in the approach john mcLeod joins authors dave mearns and brian thorne to contribute an exciting new chapter on research relevant to the person centred field person centred counselling in action fourth edition will be an invaluable resource for those embarking on their first stages of training well established practitioners and even seasoned scholars will continue to find much to interest and stimulate them dave mearns is professor of counselling and retired director of the counselling unit of the university of strathclyde he has written seven books including working at relational depth in counselling and psychotherapy with mick cooper and is co editor of the international journal person centered and experiential psychotherapies brian thorne is emeritus professor of counselling at the university of east anglia norwich where he was previously director of counselling and of the centre for counselling studies he is also a co founder of the norwich centre and continues to work there as a professional fellow john mcLeod is emeritus professor of counselling at the university of abertay dundee and adjunct professor of psychology at the university of oslo norway

a landmark issue celebrating the 25th anniversary of supergirl after her debut in the pages of action comics 252 but if the energy sucking purple pariah the parasite has anything to say about it it could very well be the girl of steel s final celebration

vol 1 is a reprint of 1834 edition
