with hundreds of strategies insider s tips and techniques this book is useful for home buyers and property investors alike

with the concept of real estate the first thing that comes to people s minds is selling and buying houses some think that you need to have excellent communication and marketing skills in order to succeed in your career if you re into real estate they say that it s all about the talk the eye contact and the perfect sales pitches to say but then again there s more to real estate than selling houses

and good sales talk real estate is very a stable business to be part of one of the basic needs in life is shelter a habitat that can keep you safe and protected from whatever dangers and weather out there a house is more than a structure it's a place to call home a sanctuary on the business of real estate it is actually land and anything that is attached to it with value it deals with anything and everything that has to do with property and land ownership and always remember location is everything it really is all about the location in terms of money real estate can be very lucrative learn all the terminology and the basic fundamentals and not only will you be able to survive long enough to know the ropes you'll thrive along the way familiarize yourself with a list of common real estate terms and their meanings by then you are ready for the actual business of real estate as beginners it is important to know the fundamentals of real estate before going out into the field there's a lot more to the business of real estate than just putting up vacant properties and houses for sale or rent there are investment policies and mortgages to learn and common mistakes you need to avoid on top of that you may have to exercise your communication skills to understand and communicate better with other people clients investors and customers before giving up turn to the next few pages and real estate will be a piece of cake

start building your fortune with the ultimate insider's guide to real estate investing the insider's guide to making money in real estate explains why real estate is a consistently profitable moneymaker and how everyday people just like you can build their fortune regardless of their credit score or how much money they have in the bank it's true you don't have to be rich to invest in real estate it's the easiest most leveraged method for building sustainable wealth overtime and it's open to everyone in this practical nuts and bolts guide new york times bestselling real estate authors dolf de roos and diane kennedy cover all the basics of investing and offer the kind of insider advice and little known tips you won't find anywhere else you'll get a wealth of bright ideas and smart investment moves as well as examples case studies and true investing stories from successful investors just like you inside you'll learn the ins and outs of commercial versus residential property how to spot great bargains in neighborhoods with great potential how to finance your investments with less than perfect credit quick tips for increasing the value of your property inexpensively how to find reliable tenants who'll pay top dollar everything you need to know about property taxes and deductions how to use tax benefits to increase your profits
