after three and a half decades of economic reforms radical changes have occurred in all aspects of life in china in an authoritarian society these changes are mediated significantly through the power of language carefully controlled by the political elites discourse as a way of speaking and doing things has become an indispensable instrument for the authority to manage a fluid increasingly fragmented but highly dynamic and yet fragile society written by an international team of

leading scholars this volume examines socio political transformations of contemporary chinese society through a systematic account analysis and assessment of its salient discourses and their production circulation negotiation and consequences in particular the volume focuses on the interplay of politics and media the book s intended readership is academics and students of chinese studies language and discourse and media and communication studies

discourse politics and women as global leaders focuses on the discourse practices of women in global political leadership it provides a series of discursive studies of women in positions of political leadership political leadership is defined as achieving a senior position within a political organization and will often indicate a senior role in government or opposition the volume draws on a diverse collection of studies from across the globe reflecting a variety of cultures and distinct polities the primary aim is to consider in what way s discursive practice underpins reflects or is appropriated in terms of women s political success and achievements within politics the chapters employ differing theoretical approaches all bound by the discursive insights they provide and in terms of their contribution to understanding the role of language and discourse in the construction of gendered identities within political contexts

the volume explores the vast and heterogeneous territory of political linguistics structuring and developing its concepts themes and methodologies into combined and coherent analysis of political discourse apd dealing with an extensive and representative variety of topics and domains political rhetoric mediatized communication ideology politics of language choice etc it offers uniquely systematic theoretically grounded insights in how language is used to perform power enforcing imbuing practices in social interaction and how it is deployed for communicating decisions concerning language itself the twenty chapters in the volume written by specialists in political linguistics critical discourse analysis pragmatics sociolinguistics and social psychology address the diversity of political discourse to propose novel perspectives from which common analytic procedures can be drawn and followed the volume is thus an essential resource for anyone looking for a coherent research agenda in explorations of political discourse as a point of reference for their own academic activities both scholarly and didactic

this book introduces the reader to a new way of approaching political discourse which is called discursive political analysis dpa dpa takes the political realm as the kernel and conceptualizes political discourse as a functional tool which constantly modifies the agent s position vis à vis structural factors to achieve or maintain political hegemony dpa can be viewed as a complementary aspect of political analysis and addresses a wide audience who are interested in the functions and

implementation of discursive strategies in politics with its clear aims and focus dpa helps researchers to comprehend the dynamic relation between political and discursive spheres by offering a practical framework for analysis

the editor brings together specialists from critical discourse analysis and critical approaches to communications history literature cultural studies media sociology politics and international relations to discuss the discursive construction of ethnic national and regional identities

integration and disintegration are the two poles of economic political and security discourse in an area balkans and southern eastern europe see this book assesses the extent to which the integration of the balkans into the eu will either foster or discourage the integration of the area itself and the winners and losers under this process

includes index

csa sociological abstracts abstracts and indexes the international literature in sociology and related disciplines in the social and behavioral sciences the database provides abstracts of journal articles and citations to book reviews drawn from over 1 800 serials publications and also provides abstracts of books book chapters dissertations and conference papers

despite the fact that policy is increasingly led by the mass media social policy research has so far focused on variables and quantitative measurement rather than cultural meanings and moral welfare debates taking a critical examination of social policy on public housing by way of illustration this book demonstrates how critical discourse theory can be used in applied research it shows how the theory and method of critical discourse analysis can be worked together in an intricate and accessible way
