this three volume study examines the questions raised by the performance of the military institutions of france germany russia the united states great britain japan and italy in the period from 1914 to 1945 leading military historians deal with the different national approaches to war and military power at the tactical operational strategic and political levels they form the basis for a fundamental re examination of how military organizations have performed in the first half of the twentieth century volume 3 covers world war ii volumes 1 and 2 address address world war i and the interwar period respectively now in a new edition with a new introduction by the editors these classic volumes will remain invaluable for military historians and social scientists in their examination of national security and military issues they will also be essential reading

for future military leaders at staff and war colleges

the macchi c 202 was probably the most successful italian fighter during the second world war it is generally agreed that the performance of the macchi was superior to both the hawker hurricane and the curtiss p 40 kittyhawk and on a par with the supermarine spitfire mk v it is not by chance that virtually all the italian top scoring aces flew this plane either with the regia aeronautica or the aeronautica nazionale repubblicana at the same time the mc 202 is the symbol of the dysfunctions in the italian military industrial complex the lack of sound industrial planning resulting in orders from the regia aeronautica for an exaggerated number of different aircraft the lack of the development of adequate engines limiting aircraft performance and reducing capacity to house weapons with a proper punch the corruption of politics and the culpable connivance of the high military spheres the mc 202 was therefore produced in limited numbers while there is consensus that air war especially in the african theatre would have been different had the aircraft been adopted before

a selection of annotated references to unclassified reports and journal articles that were introduced into the nasa scientific and technical information system and announced in scientific and technical aerospace reports star and international aerospace abstracts iaia

Eventually, **Regia Aeronautica Vol 1 A Pictorial History Of The Italian Air Force 1940 1943** will definitely discover a extra experience and endowment by spending more cash. nevertheless when? get you tolerate that you require to acquire those every needs next having significantly cash?
