having a safety plan is a necessary tool if you are planning to leave an abusive relationship this comprehensive step by step plan will assist you in creating safety in eight areas of your life it is imperative that you do not take this plan home or leave it lying around for the abuser to find should the abuser find it all of your planning will be for nothing once the abuser knows you are planning to leave it will be harder for you to leave when you are truly ready above all be safe and strategic

kellie jo holly compiled domestic violence safety plan a comprehensive plan that will keep you safer whether you stay or leave after reviewing several safety plans available from domestic violence programs across the united states she found the plans to be useful but no plan was comprehensive so kellie decided to create the safety plan she wished someone had given her this is the second edition of that comprehensive safety plan and it includes planning for social network use after leaving the abusive relationship this is a comprehensive domestic violence and abuse safety planning workbook it is designed to keep you safer whether you choose to leave or remain in your abusive relationship or marriage it is as important to protect yourself from the unseen abuses as well as the bruises you will most certainly receive if you choose to stay in your abusive relationship verbal mental and emotional abuse is domestic violence you need a plan to keep your body and mind safe if you already experienced physical assault it is important to leave the relationship as soon as you can however leaving immediately and permanently may not always be possible the goal of this safety plan is to keep you safer until you can or decide to permanently leave your abuser many people recommend this domestic violence safety plan to counselors crisis line volunteers nurses and triage workers domestic violence groups and anyone who regularly talks with victims of domestic violence and abuse kellie wants victims of abuse to use this plan as the first step to healing from domestic violence and abuse

this document summarizes the findings from three rand reports on the long term family self sufficiency plan in los angeles county rand analyzed historical data to establish trends against which to monitor future countywide impacts and interviewed key informants about the plan we present the data results we also conclude that the framework was a useful planning tool for the county its use in implementation and evaluation is more complicated
