goddess loves me this i know she sometimes seems gentle kissing my world with peace at other times it feels like she stalks me in the darkness as i reap what i sow but i know that goddess loves me i can feel her presence in my heart there is serenity in trusting her grace and fearing her paybacks for she does pay back the wrong so i celebrate this life on planet earth it is full and rich even in the midst of occasional human ugliness through her ministry to me i ve escaped the domination of the male centric anthropomorphic christian religion of 21st century america the male god was a late development among homo sapiens society anyway after almost 40 000 years of spirit worship we moved to polytheistic female deities then the dramatic hierarchical agricultural revolution swept away our ancient hunter gatherer understandings of life millennia of rich celebration disappeared in an ugly swamp of rotting god worship nothing good has come of abrahamic religion yes some monotheistic folk are good and do good but that is because of their hunger to be good people in and of themselves it is almost in spite of their faith not because of it anthropomorphic religion is the single

greatest cause of evil in our world it deranges the true believer the more one embraces its tenets the sicker one's mind becomes this religion in its various christian muslim jewish manifestations is the verdant source of terrorism both political and gender based we all know the litany of evil that springs from the male god oppression of women racism genderism hatred of gays and lesbians hatred of immigrants justification of imperialism rather than justice monotheism gives us a parody of righteousness we cannot drink or smoke or dance or otherwise enjoy ourselves but we can demean the other wherever we see them we cannot read many kinds of books because they will tempt us to think about things that god forbids or that compete with god but we can read the bible with its horrific justification of genocide and slavery our goddess frees us from all this she doesn't forbid other gods or no gods she loves atheists she knows why we are atheists she is an atheist herself she knows there is no such thing as an omnipotent omni benevolent omniscient discreet being what a goddess and it is so simple to become a lover of goddess and know her presence in your heart all one must do is invite her in
