the lord is the spirit 2 cor 3 17 and yet one might be excused for thinking otherwise when reading studies on god s attributes omnipotence omniscience omnipresence immutability impassibility and the like although christians throughout the ages have defended the deity of the holy spirit theologians have not adequately taken the doctrine of the holy spirit into account when formulating a theology of the divine attributes the resulting understandings of god fall short of being fully trinitarian gabriel builds on contemporary trinitarian theology by advocating for the integration of insights from pneumatology into the doctrine of god s attributes three case studies are presented impassibility immutability and omnipotence gabriel writes from an evangelical and pentecostal vantage point as he engages in ecumenical dialogue with a wide spectrum of historical and contemporary theological voices

who is the holy spirit most christians know the basic answers third part of the trinity god in us but the truth goes much much further the holy spirit is a person and he plays an irreplaceable role in the life of every believer those who don't understand who he is and welcome every part of his work into their lives miss out on so much of what jesus went to the cross to provide dive into what scripture says about the person of the holy spirit and the unique way he wants to minister to you the holy spirit is here to convince you of who you are in christ fight with you in the chaos of life intoxicate you with love and joy lead you through the minefield of everyday decisions equip you for effective ministry to the world around you learn to walk in victorious christianity unlock mountain leveling spiritual power in your life get to know the forgotten god myles sweeney is the lead pastor of the grace ministries international gmi church network which grew

from the church he founded in Wharton Texas in 1991 Myles is a spiritual father to many a pastor to other pastors around the world he is a sought after teacher and mentor passionate about equipping believers to be effective in their call and ministry his teachings and training materials have been translated into various languages and used in hundreds of churches across the globe Myles has been married to the love of his life Sallie for thirty seven years they have five children all actively serving the Lord and seven grandchildren

Please note this is a companion version not the original book sample book insights 1 there is a desperate need for the Holy Spirit in the church but many people do not connect that need with a particular need for the Spirit we must examine ourselves and make sure we are open to the Spirit's work in us 2 we need to reexamine our faith and how we think about and relate to the Holy Spirit we don't live like we need the Holy Spirit and we don't expect the Holy Spirit to act in our lives 3 the Holy Spirit makes his home in our bodies we are the Spirit's temple and yet we often lack love joy peace patience kindness etc even while many of our unbelieving friends exhibit these traits 4 the Holy Spirit is the third member of the Holy Trinity he is the Spirit of God and he lives inside of you and leads you however it is better that Jesus leave you and the Holy Spirit comes to you
