its not easy to speak about death in our culture as children of revolution we think of our country as young energetic and future oriented our ideals of progress and vigor seem contradicted by the concept of death but the silence about death in america is a lost opportunity for people to find insight and support in walking that lonesome valley in befriending death over

100 writers respond in one page each to one question in the face of death how do you find meaning and fulfillment in life penned from people from a variety of backgrounds the essays take death seriously and openly and discuss how the authors find meaning in life this chance for a rare sharing of views on a truly profound subject has attracted commentators who are deeply religious and those who are not religious noted authors and people who have never published a word people celebrated by the world and people ignored by the world as they are all equal in their mortality they are equal in striving for an authentic existence and an honest description of what for them constitutes fulfillment while each essay in befriending death is unique together they present a tapestry of courage struggle and insight at a time when we are often overwhelmed by the eagerness of people to provide their opinions on politics and sports here is a rare opportunity to hear people share their most profound views on life and death

this is a new release of the original 1922 edition

this is a collection of essays by noted philosopher john martin fischer that seeks to show important connections between the metaphysics of death and free will john martin fischer defends the commonsense views that death can be bad and immortal life can be good and argues that in acting freely we transform our lives so that our stories matter

montaigne s essays penetrate the intimate feelings perceptions attitudes anxieties and hopes which make up the texture of daily life with urbanity and irony he makes his way through the fine texture of these formative traits of lived life tackling each issue as it arises montaigne probes the spectrum of human experiences and shares his own wisdom with the human kind that will read him the reader of this book which is a blend of montaigne s observations with those of the author should find in montaigne a mirror of his or her own experiences and the joy or solace of knowing that they apply precisely to their own world

this volume provides up to date and nuanced analysis across a wide spectrum of capital punishment issues the essays move beyond the conventional legal approach and propose fresh perspectives including a unique critique of the abolition sector written by a range of leading experts with diverse geographical methodological and conceptual approaches the essays in this volume challenge received wisdom and embrace a holistic understanding of capital punishment based on practical experience and empirical data this collection is indispensable reading for anyone seeking a comprehensive and detailed understanding of the complexity of the death penalty discourse

everyone s mother is dead or dying it is nothing new nothing ceasing nothing fresh or interesting but when your mother is dying and when this dying insists at once that you take notice of it you feel her bones in your own and that insistence

stretches into the vision you have of your own life this short collection of essays explores life and death what they take what they give and what they leave behind

why have certain kinds of documentary and non narrative films emerged as the most interesting exciting and provocative movies made in the last twenty years ranging from the films of ross mcelwee bright leaves and agnès varda the gleaners and i to those of abbas kiarostami close up and ari folman waltz with bashir such films have intrigued viewers who at the same time have struggled to categorize them sometimes described as personal documentaries or diary films these eclectic works are rather best understood as cinematic variations on the essay so argues tim corrigan in this stimulating and necessary new book since michel de montaigne essays have been seen as a lively literary category and yet despite the work of pioneers like chris marker seldom discussed as a cinematic tradition the essay film offering a thoughtful account of the long rapport between literature and film as well as novel interpretations and theoretical models provides the ideas that will change this
