cuánto cuesta el tiempo cuántos daños pasan desapercibidos cuando reclamamos el pago de una deuda cómo logramos una reparación integral del daño en relación con el incumplimiento de las obligaciones de dinero el libro presenta un análisis crítico del régimen de responsabilidad civil mexicano aplicable a las obligaciones dinerarias a través de dos conceptos que son olvidados en las condenas civiles la pérdida inflacionaria y el interés real del dinero la investigación revela la insuficiencia del sistema actual y las pérdidas millonarias que el mismo provoca busca también proponer un modelo alternativo que garantice la reparación justa e integral del daño relacionado con el incumplimiento de las obligaciones dinerarias

this volume examines the theoretical and empirical landscape of social entrepreneurship in both non profit and profit sectors it extends the traditional view of social entrepreneurship to include the environmental and institutional factors that affect the emergence of social entrepreneurship activities such as formal laws regulations procedures and informal institutions the editors aim to provide evidence and increased understanding of this growing phenomenon social entrepreneurship is gaining recognition as a key element of economic and social development it embraces a wide set of situations with a broad scope of activities in for profit and non profit organizations interested in social performance and or in economically profitable performance with an emphasis on achieving social aim in the strict sense social entrepreneurship corresponds to entrepreneurs whose main concern is to achieve social objectives rather than to obtain personal financial profits however there is still much to be learned about the dynamics and processes of social entrepreneurship the current literature in the field has tended to focus on psychological experiences and personal characteristics or on organizational perspectives such as resources capabilities and leadership this book intends to provide theoretical frameworks and empirical studies to this very new and broad field specifically this book provides a collection of contemporary research in the following topics how to create opportunity through social innovation how to detect entrepreneurial opportunity to meet social needs how to develop social entrepreneurship while still seeking profits how to discover opportunities for different forms of social entrepreneurship featuring contributions from around the world this book is a valuable source for students academics researchers policy makers and professionals in the area of social entrepreneurship

this book examines the different ways companies can develop and design social innovation combining technological and social perspectives the contributors present emerging research on social innovation from different sectors such as entrepreneurship education and energy collectively the authors demonstrate the ways in which social innovation can drive sustainability and development in regions around the world all societies are characterized by their political economic and social institutions as well as by how they utilize technology the social innovations with the highest importance are those which modify existing institutions or create new ones and based on their magnitude they can be considered as radical or incremental for example when joseph chamberlain encouraged workers to organize in order to achieve universal male suffrage in great britain in 1885 this was a considered a radical innovation for british

society which in turn changed its political framework social innovations may be based on intelligence and commitment on technology or on social entrepreneurship in its most open forms in addition social innovations can be classified into those which correspond to an entire country or region a field e g education or a sector e g entrepreneurship technology social reform featuring contributions on topics such as agro food smart cities higher education gender equality and sports this book is ideal for academics students scholars professionals and policy makers in the areas of innovation entrepreneurship sustainability and regional development

en el transcurso de la segunda década del siglo xx un conjunto de cambios y tensiones se gestaron en algunas partes de la sociedad colombiana los reclamos por la mejoría en las condiciones de vida y las luchas por una transformación más amplia de la sociedad en general fueron promovidos desde diversos sectores en este caso de estudio el anarquismo y el anarcosindicalismo fueron algunas de las posturas que varios obreros bogas inquilinos hombres y mujeres adoptaron como opción política para enfrentar sus dificultades y formular nuevas opciones de organización a la par a lo largo de la ribera del río magdalena en sus cuencas alta y baja transitron algunos extranjeros como nicolás gutarra evangelista priftis juan garcía garcía y filipo colombo estos extranjeros anarquistas establecieron relaciones con diferentes núcleos sindicales y ayudaron a la fundación de otros a través del análisis de las trayectorias de estos extranjeros junto con los sindicatos organizaciones y comités de los cuales fueron parte se comprende las tensiones que dichas personas y organizaciones entablaron con ciertos agentes del orden como la policía los entes judiciales y gubernamentales así este texto tiene un eje especial de análisis en las apuestas de construcción de un orden por parte de personas que de una u otra forma se relacionaron con el anarquismo y el anarcosindicalismo y las tensiones que dicho anhelo empresa o apuesta política generó en las autoridades judiciales policiales y gubernamentales

esta obra reúne textos publicados en un lapso de cuarenta años esta nueva compilación es de carácter histórico no propiamente historiográfico o teórico como fue la intención de labrar el pasado 2024 sino sobre la trayectoria de la protesta en colombia en el contexto latinoamericano y global de esta forma intenta responder a diversas demandas y necesidades de nuestra sociedad y de su medio académico una de ellas y la más prominente en el actual

momento por el que pasa el país es tratar de entender la génesis de la movilización social que terminó derivando aunque con quiebres y rupturas sustanciales en los estallidos sociales de fines del decenio pasado e inicios del presente especialmente el ocurrido en 2021 por supuesto con este libro no se pretende dar una explicación de los recientes acontecimientos ni ahondar en los debates que tales hechos han producido dimensiones que parcialmente ha abordado el autor en otras publicaciones sino mostrar la trayectoria histórica de la protesta social en Colombia que se lee tanto en la larga duración como en algunas coyunturas puntuales de nuestro pasado
