in the nineteenth century richly drawn social fiction became one of england s major cultural exports at the same time a surprising companion came to stand alongside the novel as a key embodiment of british identity the domesticated pet in works by authors from the brontës to eliot from dickens to hardy animals appeared as markers of domestic coziness and familial kindness yet for all their supposed significance the animals in nineteenth century fiction were never granted the same fullness of character or consciousness as their human masters they remain secondary figures minor creatures re examines a slew of literary classics to show how victorian notions of domesticity sympathy and individuality were shaped in response to the burgeoning pet class the presence of beloved animals in the home led to a number of welfare minded political movements inspired in part by the darwinian thought that began to sprout at the time nineteenth century animals may not have been the heroes of their own lives but as kreilkamp shows the history of domestic pets deeply influenced the history of the english novel

not the whole story is a compilation of sixteen stories narrated by single mothers in their own way and about their own lives each story is unique but the same issues appear again and again abuse parenting as single mothers challenges in the labour market mental health and addictions issues a scarcity of quality childcare immigration and status vulnerability struggles with custody and poverty these factors combined with a lack of support contribute to their continued struggles the themes that recur across stories illustrate that the issues the women face are not just about individual struggle they demonstrate that major issues in canada s social system have been neglected in public policy in order for these issues to be addressed we need to challenge the flawed public policies and the negative discourse that continue to marginalize single mothers in terms of the opportunities

in their own lives and in terms of how they are understood by other Canadians the first person narratives of the struggles and issues faced by low income single mothers provide narrative richness and are augmented by introductory and concluding chapters that draw the narrative themes together and offer overarching discussion and analysis
