the book of revelations is outlined in five sections i chapters 1 3 the church age ii chapters 4 5 events in heaven iii chapters 6 19 events of the future tribulation iv chapter 20 events of the millennium v chapters 21 22 events of the new heavens and new earth in the first three chapters jesus is addressing the churches at the beginning of chapter 4 the rapture has occurred and the church is in heaven those left behind on the earth begin to experience the tribulation in chapters 6 19 jesus returned to the earth with a heavenly host for the 1000 year reign during the millennium in chapter 20 finally in chapters 21 22 the enemies of god have already been defeated and there is no more curse the book of revelations in the bible is a story of triumph for the church and a book of judgment for those who did not receive the free salvation offered through the suffering death resurrection and ascension into heaven of our lord and savior jesus christ after two years of studying and teaching the book of revelations to a few in a small country church i felt led by god to share this information with many more the revelation of jesus christ revealed answered most of my questions about the book of revelations i pray that it does the same for you

one of the most fascinating relevant and often difficult to understand books in the bible is the revelation of jesus christ it has been misinterpreted and misunderstood by many over the years and in many instances it has been placed in the category of allegory or mythology expounded in several venues over the last forty plus years this study has been a blessing to many and has presented this often puzzling book in such a manner that even the young bible student can understand it is written in a series of lectures that help to simplify yet exhaustively instruct the student in the meaning and the implication of this important book as it relates to the times in which we live as we anxiously wait for our lords soon return this series of lectures will help us realize just how near to that coming event we actually are

the revelation of revelation is a story never told before now because it wasn t to be told until now according to scriptures it didn t happen in a vision not in a sudden rush of a mighty wind but instead a gentle but profound inspiration

not found on any map the valley of decision is a place of indecision a quagmire of noncommitment stalling forward motion it s the anxious

middle place whose occupants include the multitudes who are still not sure what exactly to do with jesus christ polarized by life and the ways of the world they stand here unconvinced at the end of times when wickedness is great and the harvest is ripe yet perhaps knowing more about what tomorrow brings would help those still undecided make the clear choice to freely stand with god the revelation of jesus christ standing in the valley of decision explores the book of revelation as the source of god s true prophecy for what our future holds authors david and denise hall offer verse by verse commentaries on christ s revelation omitting nothing and using the bible to interpret itself with scriptural citations supporting every point believers are invited to take notes and engage in active bible study as they learn how end time prophecies are being fulfilled today in what time is left the choice is clear personal and simple freely stand with god and have your sins washed away and your ransom paid or face the eternal consequence of separation choose now and soon because the time of his return draws near the time to study revelation is now and the revelation of jesus christ standing in the valley of decision will help all those seeking truth in the name of the father the son and the holy spirit

the revelation of jesus christ which god gave unto him to show unto his servants things which must shortly come to pass and he sent and signified it by his angel unto his servant john who bore record of the word of god and of the testimony of jesus christ and of all things that he saw blessed is he who reads and those who hear the words of this prophecy and keep those things which are written therein for the time is at hand revelation 1 1 3 the title of this last and most wondrous of inspired books is the revelation uncovering unveiling of jesus christ it is he who unveils and it is he who is here unveiled to us and who shines out with transfiguration brightness before the church s eye the spirit and sum of this book is testimony to jesus ch 19 10 he is its alpha and its omega we find him everywhere in description in song in symbol in prediction in things past present and to come here christ is all and in all this last book completes the unveiling which was begun in the gospels and carried on through the epistles the last fragment of the veil is here taken from his face we see him as he is on the father s right hand on the throne through the rent veil the heavens are opened and we see him as stephen did in his present glory and in the glory of his second coming

for anyone struggling to understand john s writings in revelation this book provides true biblically based answers through detailed insight

into the letters john wrote to seven churches of his day you will learn how to avoid the inherent pitfalls of the first adam mentality to overcome today s trials and tribulations the more you understand the book of revelation the more you will be disarmed of the fears intimidations rhetoric and flood of information spewing from the dragon s mouth this overflow of propaganda has kept the human family afraid to even read the book of revelation when in fact it is the only book in the bible that declares a built in blessing to those who read and understand it

many people have the wrong idea about god they see him as a harsh judge that must be pleased by our many works but jesus christ came to reveal god who loves us so much that he forgives our sins if we simply believe the bible reveals how god loves the world so much that he sent his only son jesus christ to fulfill the law jesus died on the cross for our sins he was buried and rose from the dead on the third day jesus established a new covenant offering the free gift of the forgiveness of sins righteousness of god and eternal life to all who believe in him mathew simon s book explains the gospel of jesus christ the love of god the grace of jesus christ it also describes the clear difference between the new covenant and the old covenant the new covenant is all about christ s finished work that brought us salvation the old covenant is all about man s efforts that failed we are righteous by faith and not by works the law demanded perfection from man this is why jesus christ gave the full extent of the law to israel in the 3 synoptic gospels all of the impossible demands were before the cross under the law but after the cross we see the gospel of grace we are made righteous by faith without any works god not only saves us but also bears fruit in us by the holy spirit in us we will understand how not to mix grace with the law we will be set free by understanding the truths about confession of sins lord s prayer repentance faith and works we cannot lose salvation etc believers will be set free in the knowledge of god s love through the gospel of jesus christ the book of revelation shows the last days of israel in the 1st century during the great tribulation we don t need to fear the mark of the beast the antichrist all of those events ended in the 1st century we look forward to the 2nd coming of christ as the final event in the world

this book is about the lord jesus christ and who he really is when we read the bible we should remember the principle the last revelation carries the greater weight the final revelation of the lord jesus christ to the last living of his disciples the apostle john a short time before the

apostle john was also to expire was a final word to his beloved disciple containing the most important things for the life of the christian church and since the last revelation carries the greater weight we should embrace these last messages of the lord with great care and believe these words even if they would upset well established doctrines in the churches only the lord jesus christ is worthy to be praised and he is the only one who deserves the attention of this book

this book is about the lord jesus christ and who he really is when we read the bible we should remember the principle the last revelation carries the greater weight the final revelation of the lord jesus christ to the last living of his disciples the apostle john a short time before the apostle john was also to expire was a final word to his beloved disciple containing the most important things for the life of the christian church and since the last revelation carries the greater weight we should embrace these last messages of the lord with great care and believe these words even if they would upset well established doctrines in the churches only the lord jesus christ is worthy to be praised and he is the only one who deserves the attention of this book

this easy to read commentary on the book of revelation will bring clarity to some of the major issues of our time it will show that before the second coming of christ a series of events must take place the two witnesses must appear as well as the ten kings and the man of sin dr bailey dispels the confusion surrounding these awesome revelations of the apostle john while placing an emphasis on not only knowing the truths of the last days but being prepared through holiness in order to meet the lord in the clouds

many people struggle with the book of revelation because it is filled with strange symbols numbers and bizarre images of beasts and visions a blessing is promised rev 1 3 to all who read it but it cannot be received if one is intimidated by engaging the book the key to understanding it lies in the context in which it was written which is the old testament this book attempts to open up the reader to greater understanding of the book by giving the old testament references that john s readers would have been familiar with for the passages the holy spirit inspired john to write

the book of revelation is the last of the sixty six books of the bible as such it is the concluding word of god and therefore occupies a special position whereas a blessing is attached to its reading a curse is pronounced against anyone adding to its text thus reflecting how very important is this book of god s word the content of this present work which will be two volumes in length comprises the text of what were two separate series of messages on revelation spoken by the author in respectively the year 2007 and back during the 1950s after these many years and inasmuch as we sense the return of the lord jesus to be increasingly imminent we believe that there is a need to make these spoken words available in print in order that many more of god s people may receive the promised blessing it is our prayer that all who shall read this book will receive god s blessing in their being better prepared for the imminent return to the earth of our blessed lord jesus christ

a new and transforming approach to the book of revelation margaret barker bases her study on a fresh reading of the primary sources as an old testament scholar she can read revelation as hebrew prophecy ancient temple oracles which inspired jesus and his own prophecies and influenced the whole jerusalem church jerusalem was waiting for their great high priest to return and complete the atonement at the end of the tenth jubilee this expectation fuelled the revolt against rome josephus who deserted to rome was the false prophet john who escaped to patmos compiled revelation as a record of the first generation in the future he taught the lord would return to his people in the eucharist this work illuminates the formative years of christianity in the social religious and political situation of mid first century palestine in a quite remarkable way it will have profound implications for the understanding of christian origins and the development of christian liturgy

imagine what your christian development would be like if you grasped the true character of god you were captivated by appreciation of and love for god s word you were not frightened away by the haunted house of revelation you appreciated how the early church s experience influenced the message of revelation you understood how various viewpoints on revelation developed over time you enjoyed a perspective which prevents tunnel vision you understood viewpoints about which you were previously unaware you esteemed fellow believers who have different understandings of revelation you appreciated how the meaning of jesus sacrifice is pictured in revelation you practiced the message of revelation in everyday life you were strengthened by an unshakable faith in god your faith was heartfelt and growing rather than

formal or ritualistic you were strong enough to stand firm in the face of any and all spiritual opposition you were known for your moral and spiritual purity you were able to resist the seductions of our culture you demonstrated the sacrificial style of jesus rather than the self serving style of society you enjoyed the blessings of those who keep the words of revelation s message your anticipation of jesus return rose above a distracting concern with earthquakes wars and developing social events you appreciated your present and future spiritual realities you were eager rather than fearful about the future you enjoyed the depths of the relationship toward which god is moving us
