in this 13th edition rick schaefer provides a comprehensive up to date introduction to sociology that appeals to students with a diversity of learning styles the text focuses on sociology in the global community and encourages students to think about the world they're living in using a sociological imagination

like its predecessors the tenth edition of this text reflects rick schaefer's mission to bring readers a comprehensive up to date presentation that teaches them how to think critically about society and their own lives from a wide range of classical and contemporary perspectives combining balanced coverage of theory with current research findings distinctive social policy sections examples of interest to students and abundant learning aids and exercises this text will help students develop a sociological imagination an optional package combines schaefer sociology with power tenth edition and reel society interactive movie 2 0 cd rom at nominal extra cost the introductory sociology class provides the ideal laboratory in which to study our own society and those of our global neighbors the distinctive emphasis on social policy found in this text shows students how to use the sociological imagination in examining such public policy issues as sexual harassment the aids crisis welfare reform the death penalty and privacy and censorship in an electronic age richard t schaefer

richard schaefer's sociology matters is a very concise introduction to the discipline of sociology its straightforward style streamlined design and highly focused coverage make it the perfect short affordable introductory text for instructors who use a variety of materials in their course sociology matters helps students understand and connect to the topics it covers by answering the question how does sociology matter after more than 30 years of teaching sociology to students in colleges adult education programs nursing programs an overseas program based in london and even a maximum security prison i am firmly convinced that the discipline can play a valuable role in teaching critical thinking skills sociology can help students to better understand the workings of their own lives as well as of their society and other cultures richard t schaefer

sociology in modules sixth edition bridges the essential sociological theories research and concepts and the everyday realities we all experience the program highlights the distinctive ways in which sociologists explore human social behavior and how their research findings can be used to help students think critically about the broader principles that guide their lives

schaefer sociology a brief introduction 7th canadian edition provides students with the tools they need to successfully navigate in today's social world the new edition offers a canadian perspective within a global context allowing students to examine the place of themselves and others in society the new edition has been completely updated with the canadian student in mind students will engage with content that features relevant social topics diverse examples and the latest canadian statistics research and data this resource is ideal for degree and diploma level introductory sociology courses or for any learner eager to explore the study of social worlds

for one semester one quarter sociology and general education courses in race and ethnic relations richard schaefer grew up in chicago in the 1960's at a time when neighborhoods were going through transitions in ethnic and racial composition he found himself fascinated by what was happening how people were reacting and how these changes were affecting neighborhoods and people's jobs these experiences led to a career in sociology and he is now a leading scholar on racial and ethnic relations this book grew out of a desire to help students to understand the changing dynamics of the u.s. population this text is an accessible comprehensive and up to date introduction to the issues confronting racial and ethnic groups in both the u.s. and other countries organized first by issues and then by major racial and ethnic groups the text examines each group's history explores its current situation and its concerns for the future perspective in the first part of the text lays the foundation for students to understand and discuss the history and contemporary state of each racial and ethnic group presented in the latter part of the book

sociology in your life with p o w e r learning promotes student success through a narrative that combines leading introductory sociology content with a framework for strengthening student study skills students are empowered to develop their sociological imaginations through interactive activities that also help them study more effectively while classroom time is powered up for instructors when stronger critical thinking and reading skills result in a deeper understanding of key sociological concepts empower your students for success in the introductory sociology course and throughout their college careers with sociology and your life with p o w e r learning

make sociology new with mcgraw hill s connect sociology and the 11th edition of sociology a brief introduction new to connect is connect insight the first and only analytics tool of its kind connect insight is a series of visual data displays each framed by an intuitive question to provide at a glance information regarding how your class is doing connect insight makes razor sharp tie ins between the analysis it provides and the decisions instructors make we pride ourselves on providing sophisticated technology that is intuitive and simple our elegant navigation allows professors to focus on what s important powering motivation within their classes connect also comes with learnsmart an adaptive questioning tool proven to increase content comprehension and student results as well as fun interactivities that teach sociology s three theoretical frameworks finally make sure students come prepared to class by assigning our many e book activities with mcgraw hill s digital tools focus on what you do best teaching unique to this program sociology a brief introduction encourages students to take sociology with them in their everyday lives just as rick keeps a small notebook of daily sociological events in sociology brief instructors get the most trusted content in manageable form this coupled with powerful digital learning tools makes sociology brief an ideal choice for your introductory course

three basic premises guide this highly successful introductory text first that theory and research must be both comprehensive and clear second that the text must show how sociology is relevant both to the study of society and to students lives and third that sociology can play a valuable role in teaching critical thinking skills to that end this solid well respected text combines a balanced three perspective approach with excellent student oriented examples and distinctive social policy sections in a concise presentation that offers an alternative to full length books
