i was impressed with the accessibility of the book offering a guided tour through the history context and purposes of reminiscence therapy the range of applications from promoting social and emotional stimulation to reminiscence as psychotherapy it also provides a brief overview of its theoretical underpinnings as a book for health professionals interested in reminiscence work it is a must for the shelf most importantly it emphasizes the need for adequate training and supervision for those undertaking this type of work the authors also provide a very good working guide to the assessment process aging and health in this practical and accessible book leading exponents of reminiscence work describe the purposes and techniques of reminiscence and set out detailed guidelines on how to implement and conduct a wide range of reminiscence activities with different types of client highlighting its tremendous diversity and potential and its special ability to allow people of all ages and abilities to communicate deeply about their lives the authors separate out the different aims of reminiscence which include intellectual or social stimulation allowing people to leave behind them a cultural legacy or a means of intergenerational communication they show clearly how each can be directly beneficial either to clients or their carers or for improving the culture of the arena in which the activity is being carried out

what is get on the journey several years ago i felt led to start writing mens devotions they were primarily written for journeymen men on a journey and walking with christ i soon found out that my devotions were not only being read by journeymen but also by women on the journey daily and manly activities end up being themes for devotion gods word can be applied to my life and in turn to your life through these devotions devotion life topics include fishing washing the car cleaning the pool watching television peyton manning being released working sleeping winning losing granite shopping etc each devotional also contains probing questions that can be used for self examination or for small group study get on the journey contains fifty two devotions that recap a year of my life and writing but can be read and explored on your journey at your own pace david smith journeymen why should you get on the journey through trials and temptations god will strengthen our faith as we journey in the race of life it is here i find davids devotionals an inspiration for each one of us who gather together in the name of christ david has a special talent for

reflecting life's circumstances as a tool to help us all join in the race together sometimes we laugh and sometimes we cry as you read David's devotionals meditate on your own life circumstances consider how God is shaping and molding you to be a journeyman man on a journey in life with Jesus as his savior pastor Rod Lindemann journeyman

What does the Bible really say about the birth of Jesus? How did the celebration of Christmas become associated with things like Santa Claus and decorated trees? In the true meaning of Christmas the birth of Jesus and the origins of the season biblical scholar Michael Patrick Barber offers an inspiring look at the Bible's accounts of Jesus' birth and the development of the Christmas season along the way he answers numerous questions including how is the Christmas story related to ancient Jewish expectations why is Jesus said to be laid in a manger who are the magi what is the mysterious Christmas star how did December 25th become the date of Christmas how did Saint Nicholas become Santa Claus as Barber explains though some of the answers to these questions may be surprising only by understanding the message at the heart of Christmas can we fully enter into the joy it promises

In an age when churches seem to be struggling and new initiatives remain fragile cathedrals are displaying signs of resilience the field of cathedral studies has emerged to test the sustainability of this resilience this volume draws together the work of 19 individuals who are shaping the field of cathedral studies intent on describing what they see and keen to identify what could be together they position cathedrals at the heart of Anglican ecclesiology and maintain that properly supported cathedrals serve as episcopal theological resource churches where sacred space and common ground collide here faithful disciples can be nurtured and sustained and here the low threshold welcomes in the hungry crowds whom the disciples are called to feed and to nurture insightful and thought provoking this book will be of interest to practitioners scholars and students of religious studies cathedral studies theology and sociology the chapters in this book were originally published in the journal of Beliefs & Values

Compositional choices and meaning in the vocal music of J. S. Bach collects seventeen essays by leading Bach scholars the authors each address in some way such questions of meaning in J. S. Bach's vocal compositions including his

passions masses magnificat and cantatas with particular attention to how such meaning arises out of the intentionality of bach s own compositional choices or in part iv in particular how meaning is discovered and created through the reception of bach s vocal works and the authors do not consider such compositional choices in a vacuum but rather discuss bach s artistic intentions within the framework of broader cultural trends social historical theological musical etc such questions of compositional choice and meaning frame the four primary approaches to bach s vocal music taken by the authors in this volume as seen across the book s four parts part i how might the study of historical theology inform our understanding of bach s compositional choices in his music for the church cantatas passions masses part ii how can we apply traditional analytical tools to understand better how bach s compositions were created and how they might have been heard by his contemporaries part iii what we can understand anew through the study of bach s self borrowing i e parody which always changed the earlier meaning of a composition through changes in textual content compositional characteristics the work s context within a larger composition and often the performance context from court to church for example part iv what can the study of reception teach us about a work s meaning s in bach s time during the time of his immediate successors and at various points since then including our present the chapters in this volume thus reflect the breadth of current bach research in its attention not only to source study and analysis but also to meanings and contexts for understanding bach s compositions

what does the bible really say about the birth of jesus how did the celebration of christmas become associated with things like santa claus and decorated trees in the true meaning of christmas the birth of jesus and the origins of the season biblical scholar michael patrick barber offers an inspiring look at the bible s accounts of jesus birth and the development of the christmas season along the way he answers numerous questions including how is the christmas story related to ancient jewish expectations why is jesus said to be laid in a manger who are the magi what is the mysterious christmas star how did december 25th become the date of christmas how did saint nicholas become santa claus as dr barber will show to find our way home at christmas we need to first return to christmas s home in the story of the bible only by carefully reflecting on the stories of jesus birth can we hope to celebrate christmas in the way it is meant to be celebrated and discover the real joy it promises

christmas is a time for hope for celebrations for reflecting on the things that matter most and for worshipping the baby who would become the savior i believe the meaning of christmas and the baby who started it all is a simple devotional of faith building topics that surround the christmas season covering themes like old testament prophecy the nativity celebrations from around the world carols and today s christmas traditions i believe has something for everyone great for personal use family devotions or as thoughtful holiday gifts

what is the greatest christmas gift ever the reason we celebrate christmas is because of this precious gift in this book we will go over the different parts of the christmas story the different things that happened and the reason that they happened the way they did none of the things that happened when jesus was born were a coincidence the entire birth and life of jesus was planned by god to happen the way it did the virgin birth why was jesus born to a virgin why was jesus born to average people and not to a king why was the virgin birth a secret until after jesus died why was there no celebration throughout the land when jesus was born why did god notify shepherds shepherds were

among the lowest status of people in that time yet they were the first people to know of the birth of the son of god the method that god used to tell the shepherds were angels what are angels many christians think that when they die they become angels the bible is clear that we will not become angels when we die how did god notify the wise men of the birth of the savior a star led them to the place of jesus birth what was the purpose of the star what was the meaning of the star there are many other things that relate to jesus birth how things that are used to celebrate christmas are related in some way or have a correlation to jesus and the real meaning of christmas

grace at table advocates prayer at table as a way to solve everything by everything we mean the dismay dis ease and fear of the future that permeates way too many human souls addiction is one response to the moment fear another and despair a third widespread immobility and lack of focus come to mind as indications of over stimulation by the negatives and under stimulation by the positives prayer at table stimulates the positives it is a pause that refreshes the spirit reorienting us to a sense of gratitude and grace for whatever we may face prayer doesn t have to be hands folded or knees bent although there is nothing wrong with folding hands or dropping to our knees instead prayer here is understood as pause to give thanks to look around to interrupt constant action with reflection allowing the table and our food to be our nudge changing the general atmosphere of despair and decay to thanks and appreciation is a big change made in a small way like a wheelbarrow prayer carries the heavy load lightly giving us the lift we need to manage what we fear we cannot prayer at table resolves the appreciation deficit disorder which goes on to make us strong for climate change recession and a mounting sense of debt it replaces shame and blame with gratitude and grace
