oct 31 2022 what is a nightshade nightshade is a colloquial name and not a technical one and is used to refer to many different plants most of the plants with the colloquial english name

with nightshade finally being released and some misconceptions seeming to rear their head up again i think it s time to briefly talk about nightshade and it s older brother glaze

oct 29 2023 27 votes 257 comments true as i see it all these tools like glaze and nightshade do nothing but hurt the open source community the free ai stuff that anyone can use create and learn

the intention of nightshade was to target base model training models at the size of sd 1 5 nightshade adds horrible artefacts on high intensity to the point that you can simply tell the image was modified

may 25 2022 lord nightshade the damage cap that doubles every 2 turns starting from 500 dmg plus a deer knight every turn that does the damage of the damage cap may make it seem like

nightshade s design is an absolute nightmare and middle finger for toy designers they re a goddamn skinny bot that turns into a huge owl even worse that there s almost no owl kibble or parts on the bot

jan 25 2020 also grow boom shroom need just rank 1 in gardening very fast plant small drop table so chances for deep mushroom are really good if going directly for nightshade grow burning

my take is by the time glaze or nightshade is widespread enough to actually affect scraping the genai technology would have moved on from scraping every single image on the internet to a more efficient

here s everything you need to attempt to test nightshade including a test dataset of poisoned images for training or analysis and code to visualize what nightshade is doing to an image and test potential
