in becoming confederates gary w gallagher explores loyalty in the era of the civil war focusing on robert e lee stephen dodson ramseur and jubal a early three prominent officers in the army of northern virginia who became ardent confederate nationalists loyalty was tested and proved in many ways leading up to and during the war looking at levels of allegiance to their native state to the slaveholding south to the united states and to the confederacy gallagher shows how these men represent responses to the mid nineteenth century crisis lee traditionally has been presented as a reluctant convert to the confederacy whose most powerful identification was with his home state of virginia an interpretation at odds with his far more complex range of loyalties ramseur the youngest of the three eagerly embraced a confederate identity highlighting generational differences in the equation of loyalty early combined elements of lee s and ramseur s reactions a unionist who grudgingly accepted virginia s departure from the united states but later came to personify defiant confederate nationalism the paths of these men toward confederate loyalty help delineate important contours of american history gallagher shows that americans juggled multiple often conflicting loyalties and that white southern identity was preoccupied with racial control transcending politics and class indeed understanding these men s perspectives makes it difficult to argue that the confederacy should not be deemed a nation perhaps most important their experiences help us understand why confederates waged a prodigiously bloody war and the manner in which they dealt with defeat

you would be surprised to see what men we have in the ranks virginia cavalryman thomas rowland informed his mother in may 1861 just after joining the army of northern virginia his army general robert e lee s army was a surprise to almost everyone with daring early victories and an invasion into the north they nearly managed to convince the north to give up the fight even in 1865 facing certain defeat after the loss of 30 000 men a louisiana private fighting in lee s army still had hope i must not despair he scribbled in his diary lee will bring order out of chaos and with the help of our heavenly father all will be well astonishingly after 150 years of scholarship there are still some major surprises about the army of northern virginia in general lee s army renowned historian joseph t glatthaar draws on an impressive range of sources assembled over two decades from letters and diaries to official war records to a new definitive database of statistics to rewrite the history of the

civil war's most important army and indeed of the war itself Glatthaar takes readers from the home front to the heart of the most famous battles of the war Manassas the Peninsula campaign Antietam Gettysburg all the way to the final surrender at Appomattox General Lee's army penetrates headquarters tents and winter shanties eliciting the officers' plans wishes and prayers it portrays a world of life death healing and hardship it investigates the South's commitment to the war and its gradual erosion and it depicts and analyzes Lee's men in triumph and defeat the history of Lee's army is a powerful lens on the entire war the fate of Lee's army explains why the South almost won and why it lost the story of his men their reasons for fighting their cohesion mounting casualties diseases supply problems and discipline problems tells it all Glatthaar's definitive account settles many historical arguments the rebels were fighting above all to defend slavery more than half of Lee's men were killed wounded or captured a staggering statistic their leader Robert E. Lee though far from perfect held an exalted place in his men's eyes despite a number of mistakes and despite a range of problems among some of his key lieutenants General Lee's army is a masterpiece of scholarship and vivid storytelling narrated as much as possible in the words of the enlisted men and their officers

a selection of the conservative book club I can think of no better guide for young men embarking on the adventure of life than the maxims of Robert E. Lee H. W. Crocker III author of Robert E. Lee on Leadership must reading for all fathers and sons the example of Robert E. Lee illustrates in stark colors what it means to be a man a model essential for all of us who are products of this distinctly unmanly age Rick Williams has placed us all in his debt with this wonderful anthology of Lee's wisdom and grace J. Steven Wilkins author of Call of Duty the sterling nobility of Robert E. Lee Gen Robert E. Lee 1807-70 was renowned for his brilliant leadership during the Civil War however his genius extended far beyond the battlefield all his life he relied upon his faith for strength and guidance not only in troubled times but also as the foundation upon which he based all of his dealings with others this volume contains his advice and observations drawn from the great man's own writings on crucial topics such as education duty humility and Christian faith making this a valuable guide for today's youth each section is preceded by a brief anecdote from his life and each of the quotes is described with the time and circumstance

this work chronicles the lives and accomplishments of over 200 enemies who have fought plotted spied on and in some

instances defeated u s forces over the past three centuries books on american military heroes abound but this book is the first to focus on america s talented enemies the generals admirals indian chiefs and warriors submarine captains fighter pilots and spies who opposed the united states with military force or other means often these military leaders were among the best minds of their times for more than two centuries the new nation s most constant military opponents were the native americans led by such capable chiefs as american horse and little wolf under d iberville canada s french colonialists became formidable foes but they were soon surpassed by the rigorously disciplined redcoats of great britain under howe and cornwallis ironically the most effective enemies in the history of the united states were not the leaders of foreign military forces like mexico s santa anna japan s yamamoto or vietnam s vo nguyen giap they arose from among its own citizens during the civil war the bloodiest conflict in american history

the best and most balanced of the lee biographies new york review of books the life of robert e lee is a story not of defeat but of triumph triumph in clearing his family name triumph in marrying properly triumph over the mighty mississippi in his work as an engineer and triumph over all other military men to become the towering figure who commanded the confederate army in the american civil war but late in life lee confessed that he was always wanting something in this probing and personal biography emory thomas reveals more than the man himself did robert e lee has been and continues to be a symbol and hero in the american story but in life thomas writes lee was both more and less than his legend here is the man behind the legend

a selection of the conservative book club i can think of no better guide for young men embarking on the adventure of life than the maxims of robert e lee h w crocker iii author of robert e lee on leadership must reading for all fathers and sons the example of robert e lee illustrates in stark colors what it means to be a man a model essential for all of us who are products of this distinctly unmanly age rick williams has placed us all in his debt with this wonderful anthology of lee s wisdom and grace j steven wilkins author of call of duty the sterling nobility of robert e lee gen robert e lee 1807 70 was renowned for his brilliant leadership during the civil war however his genius extended far beyond the battlefield all his life he relied upon his faith for strength and guidance not only in troubled times but also as the foundation upon which he based all

from marilyn to mussolini people captivate people a e s biography best selling autobiographies and biographical novels testify to the popularity of the genre but where does one begin collected here are descriptions and evaluations of over 10 000 biographical works including books of fact and fiction biographies for young readers and documentaries and movies all based on the lives of over 500 historical figures from scientists and writers to political and military leaders to artists and musicians each entry includes a brief profile autobiographical and primary sources and recommended works short reviews describe the pertinent biographical works and offer insight into the qualities and special features of each title helping readers to find the best biographical material available on hundreds of fascinating individuals

the richmond campaign of april july 1862 ranks as one of the most important military operations of the first years of the american civil war key political diplomatic social and military issues were at stake as robert e lee and george b mccllellan faced off on the peninsula between the york and james rivers the climactic clash came on june 26 july 1 in what became known as the seven days battles when lee newly appointed as commander of the confederate forces aggressively attacked the union army casualties for the entire campaign exceeded 50 000 more than 35 000 of whom fell during the seven days this book offers nine essays in which well known civil war historians explore questions regarding high command strategy and tactics the effects of the fighting upon politics and society both north and south and the ways in which emancipation figured in the campaign the authors have consulted previously untapped manuscript sources and reinterpreted more familiar evidence sometimes focusing closely on the fighting around richmond and sometimes looking more broadly at the background and consequences of the campaign contributors william a blair keith s bohannon peter s carmichael gary w gallagher john t hubbell r e l krick robert k krick james marten william j miller

with rigorous research and unprecedented insight into robert e lee's personal and public lives michael fellman here uncovers the intelligent ambitious and often troubled man behind the legend exploring his life within the social cultural and political

context of the nineteenth century american south

robert e lee was both a military genius and a spiritual leader considered by many southerners and nonsoutherners alike to have been a near saint in the marble man a leading civil war military historian examines the hold of lee on the american mind and traces the campaign in historiography that elevated him to national hero status
