summary of cash flow quadrant you can never have true freedom without financial freedom freedom may be free but it has a price preface what is your life's goal finding your path in life is your goal in life your path is not your profession how much money you make your title or your successes and failures finding your path means finding out what you were put here on

this earth to do what is your life's purpose why were you given this gift called life and what is the gift you give back to life most people are programmed early in life to go to school and get a job school is about finding a job in the e or s quadrant it is not about finding your life's path trust your intuition heart and have guts education is a process to develop into a whole human being we need mental physical emotional and spiritual education traditional schools were primarily about developing students mentally that is why so many students who do well in school do not do well in real life especially in the world of money school programs students to be an employee in the e or s quadrant traditional education is not the place for a person who wants to be an entrepreneur in the b and i quadrants become an entrepreneur in education it seems that our paths in life are not found in our minds our path in life is to find out what is in our hearts the shortcoming of traditional education millions of people leave school only to be trapped in jobs they do not like they know something is missing in life many people are also trapped financially earning just enough to survive wanting to earn more but not knowing what to do without awareness of the other quadrants many people go back to school and look for new professions or pay raises in the e or s quadrant unaware of the world of the b and i quadrants most addictions are attempts to find happiness in people's souls many students get stuck in analysis paralysis studying every little detail but failing to do anything this analysis paralysis is caused by our educational system punishing students for making mistakes if you think about it students are students simply because they made the fewest mistakes the problem with that emotional psychosis is that in the real world people who take action are the ones who make the most mistakes and learn from them to win in the game of life the reason so many people fail to achieve success is because they fail to fail enough times one of the reasons so many people cling to job security is because they lack emotional education they let fear stop them here is a preview of what you will get a full book summary an analysis fun quizzes quiz answers etc get a copy of this summary and learn about the book

this work will reveal why some people work less earn more pay less in taxes and feel more financially secure than others

the must read summary of robert kiyosaki and sharon lechter's book the cashflow quadrant rich dad's guide to financial freedom this complete summary of the ideas from robert kiyosaki and sharon lechter's book the cashflow quadrant explains the four ways in which income can be generated 1 you can get a job 2 you can be self employed 3 you can build and own a business system of some type 4 you can invest in other businesses in this summary it is shown that to focus solely on the first two quadrants mentioned may have negative financial impacts explaining how gradually focusing on the third and fourth quadrants can improve your lifestyle this summary will allow you to stay open to opportunities added value of this summary save time understand key concepts expand your business knowledge to learn more

read the cashflow quadrant and you will see opportunities where others see difficulties

imagine having complete financial freedom how does that feel to achieve complete financial freedom it's one simple formula passive income expenses however have you ever heard of the phrase passive income in school no right we did not fail school school failed us if you've ever found yourself having too much month at the end of the money this book is for you if you want to be good in math study math if you want to be rich study money learn to be on the right side of the cashflow quadrant or you'll be left out pun intended the cashflow quadrant by robert kiyosaki is first published in 2000 since then the concept has been spread widely throughout the world and it is regarded as one of the top finance books it is not only a fun but profitable read here's what you'll discover chapter 1 a job is not the answer chapter 3 risk and reward chapter 5 which investor are you chapter 7 mindset matters chapter 9 own debt don't owe it chapter 14 investing 101 and so much more if you're ready to study money and learn what it truly takes to own a business and or become an investor click on the buy now button and start reading this summary book now why grab summareads summary books unparalleled book summaries learn more with less time bye fluff get the vital principles of a full length book in a limited time come comprehensive handy companion that can be reviewed side by side the original book hello facts we will never inject our opinions into the original works of the authors actionable now because knowledge is only potential power disclaimer this is an unauthorized book summary we are not affiliated or sponsored by the original authors or publishers in anyway in every summary book you'll realize that it is a great resource for personal development and growth nevertheless we encourage purchasing both the original books and our summary book as your retention for the subject matter will be greatly amplified

we all want to make more money that too with minimum effort and without too much hassle ever wondered what life would be like if we had a simple proven system to create cash flow and generate real wealth with little risk or complexity this book helps you manage your finances better by directing you to a well structured plan reduce investment related risks create a sturdy cash flow streamline passive cash flow to multiply your wealth get set to live life on your own terms and fulfil all that you aimed to achieve warren buffett of lifestyle investing entrepreneur magazine

financial freedom begins with understanding where you stand in cashflow quadrant robert kiyosaki explains the four distinct paths people take to earn money the employee the self employed the business owner and the investor each quadrant represents not just a different way of making an income but a different mindset and the key to lasting wealth lies in knowing how to move from working for money to making money work for you this book is written for those who want to go beyond job security and create a life of true independence

with the lessons he learned from his rich dad kiyosaki reveals why so many people spend their entire lives working hard without ever achieving financial security they were never taught the rules of money here he offers those missing lessons showing how the wealthy build assets leverage opportunities and reduce taxes in ways that keep them ahead rich dad s cashflow quadrant doesn t just change how you see jobs and careers it reshapes your vision of success itself by learning how to step into the quadrants that create financial freedom you gain the tools to take control of your future and design a life where wealth is built with intention not chance

item details5 out of 5 stars 6 reviewsshop policiessuccess can be anything from solving a problem becoming the president of your country winning an argument or wooing an individual to establishing a business for teenagers success could mean persuading their parents to let them purchase a gadget or go to their friend s place for a sleepover a kid will feel successful if he she manages to impress his her parents with his her homework or winning an electronic game therefore every success in life has a particular meaning purpose and context because success has many subtle nuances and connotations many people are finding it difficult to define it or understand what the true meaning of success is understanding the meaning of success as taught by robert kiyosaki can lead you to pursuing your dreams

outlines a strategy for attaining wealth by looking for business opportunities and investing wisely rather than seeking security through employment

cash flow lifestyle takes us back to robert s early journey on the road to financial freedom and his mentoring by his rich dad this book shares many of the secrets of the rich secrets related to how to tell the difference between advisors and salespeople how to separate fact from opinion how to gain confidence related to decisions about money and investing and how and why the rules of money have changed these secrets form the eight building blocks to wealth that robert and his rich dad explore in cash flow lifestyle written in the classic rich dad poor dad style of stories and contrarian thought to explore and uncover these secrets even further shane caniglia entrepreneur and president of the rich dad company expounds on the building blocks by showing how they have actually been implemented to make rich dad a thriving innovative business and a powerful international brand

please note this is a companion version not the original book sample book insights 1 financial education allows you to make more money with less risk and it also allows you to pay less in taxes however you can t follow traditional financial advice or invest in traditional investments 2 in 2007 the world woke up to the word subprime these were mortgages given to people with poor credit who could not afford to pay them back in 2008 the lehman brothers investment

bank went bankrupt and in 2011 merrill lynch was re established and promoted to rebuild your assets 3 the california public employees retirement system calpers is the most corrupt and inefficient public pension fund in the united states it has a reputation for losing more money than all the others combined 4 the question that arises is this if these experts are so smart why is the world in such a financial crisis

this book presents an in depth study of how the drive to optimize organizational performance can be significantly improved by investigating the causal relationships between profitability productivity and sustainability pps this is presented through an assessment of a triple combined therapy that studies the interplay between organizational dna strategic alignments for value and their implications for sustainability through this approach this volume seeks to answer critical mind searching questions and provide useful guides as to how some firms are able to sustainably create higher value or wealth especially through corporate entrepreneurship or via the creation of new business models than others in tackling the three elements of profitability productivity and sustainability this book also provides greater insight through an in depth study of the pervasively unresolved and disturbing issues surrounding the prospects of increasing the chances of success for entrepreneurial start off ventures making it of value to researchers academics and students in the fields of organizational studies strategy and sustainability

guide to financial freedom

the real issue is the changes you must go through and who you become in the process it s not being homeless that matters my rich dad said it s about who you are keep striving and you ll become somebody quit and you ll also become somebody but not the same person the changes you go through for those of you contemplating going from job security to financial security all i can offer you are words of encouragement for kim and me it took being homeless and desperate before i found the courage to move forward that was our path but it definitely doesn t have to be your path as i described earlier there are ready made systems that can help you cross the bridge to the right side of the cashflow quadrant the real issue is the change you must go through internally and who you become in the process for some people the process is easy for others the journey is impossible money is a drug rich dad always said to mike and me money is a drug the main reason he refused to pay us while we worked for him was because he never wanted us to become addicted to working for money if you become addicted to money it s hard to break that addiction

summary of rich dad s guide to investing by robert kiyosaki chapter 1 of rich dad s guide to investing by robert kiyosaki is titled the cashflow quadrant in this chapter kiyosaki introduces the concept of the cashflow quadrant which categorizes individuals into four different groups

based on their primary source of income and their approach to making money the four quadrants are employee e self employed s business owner b and investor i kiyosaki emphasizes that understanding which quadrant you primarily operate in and shifting towards the b and i quadrants can significantly impact your financial success kiyosaki begins by discussing the differences in mindset and values between the quadrants he explains that people in the e and s quadrants tend to prioritize job security a regular paycheck and often trade their time for money on the other hand those in the b and i quadrants focus on creating systems leveraging resources and making money work for them the author explains that people in the e quadrant work for others trading their time and skills for a fixed salary they often have limited control over their income and financial decisions in the s quadrant individuals are self employed professionals such as doctors or lawyers while they have more control over their income they often work long hours and their income is tied to their personal efforts moving to the b quadrant kiyosaki highlights that business owners have systems and people working for them allowing them to generate income even when they are not personally involved in every aspect of the business business owners are more focused on building and managing their assets finally in the i quadrant investors generate income from their investments such as stocks real estate or businesses they leverage their money to create wealth and passive income streams to be continued here is a preview of what you will get a detailed introduction a comprehensive chapter by chapter summary etc get a copy of this summary and learn about the book

our summary is short simple and pragmatic it allows you to have the essential ideas of a big book in less than 30 minutes by reading this summary you will discover how to achieve true financial freedom you will also discover how to situate yourself in the cash flow quadrant the differences between security and financial freedom how to analyze business systems how to identify different types of investors the royal road to prosper and become a successful investor the majority of the population derives its income from salaried employment independent professions or the operation of a small business this is usually enough to give you a sense of financial security however financial security is often illusory and is created through a lifetime of hard work to prosper your main goal should therefore be to achieve financial freedom to do so you will need to develop your economic intelligence and learn how to make your assets work for you are you ready to take the plunge buy now the summary of this book for the modest price of a cup of coffee

the concept of network marketing is sound build relationships with like minded people and sell quality products and services within this network some people make amazingly high incomes from their network marketing businesses while others unexpectedly fall by the wayside why do some fail while others prosper this insightful business guide gives smart practical tips on how to succeed at network marketing it explains simple and commonsense ways to treat any

network marketing business like a mainstream business by taking away the mystery it illustrate

reveals how to actually speed up and maximize the return on investments to achieve total financial independence

knowledge rich ranching is not a how to book on raising cattle it is a book on how the cattle business works it has not been sanitized nor edited by ms rosy scenario it is about the way things really are it is about fear and greed and how the commodity business eats alive the naive and unaware in today s market it is knowledge that separates the rich from the rest
