most voters during the 2016 presidential election were largely unaware of trump's forty year history as a skilled con man but an incompetent failure otherwise in anticipation of the 2020 election this book describes trump's public life from his mob connections in the early 1980s through his first two stumbling years in the white house it documents trump's inescapable history of ignorance self absorption poor judgment corruption impulsive decision making bigotry and strong authoritarian instincts taken together all guaranteed a disastrous presidency his first two years in the white house fulfilled this guarantee threatening america's constitutional democracy

containing the public messages speeches and statements of the president 1956 1992

take it from someone who has been on the inside who understands the fight we are currently in and who knows what must be done to save our country dr sebastian gorka's latest book the war for america's soul leverages the former white house strategist's expertise driven by his determination to preserve what made america great in the first place mark levin our country is at war with itself on one side are american patriots dedicated to freedom under the constitution on the other side are leftists campaigning not just to win elections but to radically transform the nation in this political war for the soul of our country america's patriots need a strategist with a blueprint for victory luckily we have such a man in dr sebastian gorka a former strategist for president trump and now a nationally syndicated radio host and a fearless culture warrior in his essential new book the war for america's soul dr gorka shows how america's elite in both parties betrayed our heartland sabotaged the american dream and accepted national decline

as inevitable it took a candidate with remarkable vision dauntless courage and unbreakable determination to change the narrative that man was donald trump a candidate who owed no favors to special interests trump articulated a new american nationalism that has been an extraordinary force for economic and political renewal

using dozens of examples from the ways in which trump abused presidential powers this book explains how federalism separation of powers and free speech can help mitigate the harms that autocratic leaders in the trump mold can inflict on both democratic institutions and vulnerable minorities in doing so the book urges progressives to follow this rule of thumb in the post trump era if a constitutional principle was worth deploying to resist trump s harmful policies and autocratic governance then it is worth defending in the post trump era even if it makes the short term attainment of progressive objectives more difficult

the russiagate affair is one of the most far reaching political events of recent years but what exactly was the nature and extent of russian interference in the campaign that led to the presidency of donald j trump richard sakwa sets out the dramatic series of events that combined to create russiagate and examines whether together they form a persuasive account of russia s role in the extraordinary 2016 american election offering a meticulous account of the multiple layers in play his authoritative analysis challenges the claims of russian interference and collusion as we enter into a new cold war this myth busting accessible and balanced account is essential reading to understand contemporary east west relations
