summary of cash flow quadrant you can never have true freedom without financial freedom freedom may be free but it has a price preface what is your life's goal finding your path in life is your goal in life your path is not your profession how much money you make your title or your successes and failures finding your path means finding out what you were put here on this earth to do what is your life's purpose why were you given this gift called life and what is the gift you give back to life most people are programmed early in life to go to school and get a job school is about finding a job in the e or s quadrant it is not about finding your life's path trust your intuition heart and have guts education is a process to develop into a whole human being we need mental physical emotional and spiritual education traditional schools were primarily about developing students mentally that is why so many students who do well in school do not do well in real life especially in the world of money school programs students to be an employee in the e or s quadrant traditional education is not the place for a person who wants to be an entrepreneur in the b and i quadrants become an entrepreneur in education it seems that our paths in life are not found in our minds our path in life is to find out what is in our hearts the shortcoming of traditional education millions of people leave school only to

be trapped in jobs they do not like they know something is missing in life many people are also trapped financially earning just enough to survive wanting to earn more but not knowing what to do without awareness of the other quadrants many people go back to school and look for new professions or pay raises in the e or s quadrant unaware of the world of the b and i quadrants most addictions are attempts to find happiness in people s souls many a students get stuck in analysis paralysis studying every little detail but failing to do anything this analysis paralysis is caused by our educational system punishing students for making mistakes if you think about it a students are a students simply because they made the fewest mistakes the problem with that emotional psychosis is that in the real world people who take action are the ones who make the most mistakes and learn from them to win in the game of life the reason so many people fail to achieve success is because they fail to fail enough times one of the reasons so many people cling to job security is because they lack emotional education they let fear stop them here is a preview of what you will get a full book summary an analysis fun quizzes quiz answers etc get a copy of this summary and learn about the book

this work will reveal why some people work less earn more pay less in taxes and feel more financially secure than others

imagine having complete financial freedom how does that feel to achieve complete financial freedom it s one simple formula passive income expenses however have you ever heard of the phrase passive income in school no right we did not fail school school failed us if you ve ever found yourself having too much month at the end of the money this book is for you if you want to be good in math study math if you want to be rich study money learn to be on the right side

of the cashflow quadrant or you'll be left out pun intended the cashflow quadrant by robert kiyosaki is first published in 2000 since then the concept has been spread widely throughout the world and it is regarded as one of the top finance books it is not only a fun but profitable read here's what you'll discover chapter 1 a job is not the answer chapter 3 risk and reward chapter 5 which investor are you chapter 7 mindset matters chapter 9 own debt don't owe it chapter 14 investing 101 and so much more if you're ready to study money and learn what it truly takes to own a business and/or become an investor click on the buy now button and start reading this summary book now why grab summareads summary books unparalleled book summaries learn more with less time bye fluff get the vital principles of a full length book in a limited time come comprehensive handy companion that can be reviewed side by side the original book hello facts we will never inject our opinions into the original works of the authors actionable now because knowledge is only potential power disclaimer this is an unauthorized book summary we are not affiliated or sponsored by the original authors or publishers in anyway in every summary book you'll realize that it is a great resource for personal development and growth nevertheless we encourage purchasing both the original books and our summary book as your retention for the subject matter will be greatly amplified

the must read summary of robert kiyosaki and sharon lechter's book the cashflow quadrant rich dad's guide to financial freedom this complete summary of the ideas from robert kiyosaki and sharon lechter's book the cashflow quadrant explains the four ways in which income can be generated 1 you can get a job 2 you can be self employed 3 you can build and own a business system of some type 4 you can invest in other businesses in this summary it is shown that to focus solely on the first two quadrants mentioned may have negative financial impacts explaining how gradually focusing on the third and fourth quadrants can improve your lifestyle this summary will allow you to stay

open to opportunities added value of this summary save time understand key concepts expand your business knowledge to learn more read the cashflow quadrant and you will see opportunities where others see difficulties guide to financial freedom

our summary is short simple and pragmatic it allows you to have the essential ideas of a big book in less than 30 minutes by reading this summary you will discover how to achieve true financial freedom you will also discover how to situate yourself in the cash flow quadrant the differences between security and financial freedom how to analyze business systems how to identify different types of investors the royal road to prosper and become a successful investor the majority of the population derives its income from salaried employment independent professions or the operation of a small business this is usually enough to give you a sense of financial security however financial security is often illusory and is created through a lifetime of hard work to prosper your main goal should therefore be to achieve financial freedom to do so you will need to develop your economic intelligence and learn how to make your assets work for you are you ready to take the plunge buy now the summary of this book for the modest price of a cup of coffee

outlines a strategy for attaining wealth by looking for business opportunities and investing wisely rather than seeking security through employment
