in a world that is obsessed with luxury critical luxury studies is a rapidly emerging field this is the first book to explore the interplay between the real and imaginary realms of luxury considering the most significant developments in the theories and practices of luxurious places and spaces over the last fifty years providing a critical approach to contemporary interpretations of luxury the book interrogates the distinction between real places and imaginary spaces bringing together an interdisciplinary group of leading scholars it features a range of case studies which take the reader from the rolls royce ghost black badge to expressions of sensuality in the 1970s domestic interior and global conceptions of fine wine and art the third realm of luxury considers the interplay between luxury and space in both the past and the present examining the abstract conception of excess and exoticism as well as the real locations of the home hotel apartment and palace full of original research it is a key contribution to the study of consumption design fashion and architecture

in this book steven parissien examines the impact development and significance of the automobile over its turbulent and colourful

130 year history he tells the story of the auto and of its creators from its earliest appearance in the 1880s as little more than a powered quadricycle via the early pioneer carmakers the advances of the interwar era the golden age of the 1950s and the iconic years of the 1960s to the decades of doubt and uncertainty following the oil crisis of 1973 which culminated in the global mergers of the 1990s and the bailouts of the early twenty first century this is not just a story of horsepower and performance the life of the automobile is a tale of people of intuitive carmakers such as benz agnelli royce and citroën of exceptionally gifted designers such as issigonis lefebvre michelotti and bangle and of visionary industrialists such as ford tata and porsche above all the life of the automobile demonstrates how the epic story of the car mirrors the history of the modern era from the brave hopes and soaring ambitions of the early twentieth century to the cynicism and ecological concerns of a century later

revised and updated edition of the globe and mail and amazon bestselling book if you want to understand war in the 21st century read this to get part of the story robert spalding us brigadier general retired this book reads like a thriller and is stranger than fiction gripping racy and exciting it is difficult to put down a tale of gambling narcotics tycoons criminal gangs and communists and the shocking part is that it s not a novel it is all true benedict rogers ceo hong kong watch in 1982 three of the most powerful men in asia met in hong kong they would decide how hong kong would be handed over to the people s republic of china and how chinese business tycoons henry fok and li ka shing would help deng xiaoping realize the chinese communist party s domestic and global ambitions that meeting would not only change vancouver but the world billions of dollars in chinese investment would soon reach the shores of north america s pacific coast b c government casinos became a tool for global criminals to import deadly narcotics into canada and launder billions of drug cash into vancouver real estate and it didn t happen by accident a cast of accomplices governments hungry for revenue casino and real estate companies with ties to shady offshore wealth professional facilitators including lawyers and bankers an aimless rcmp that gave organized crime room to grow all combined to cause this tragedy there was greed folly corruption conspiracy and wilful blindness decades of bad policy allowed drug cartels first and foremost the big circle boys powerful transnational narco kingpins with ties to corrupt chinese officials real estate tycoons and industrialists to gain influence over significant portions of canada s economy many looked the other way while b c s primary industry real estate ballooned with dirty cash but the unintended social consequences are now clear a fentanyl overdose crisis raging in major cities throughout north america and life spans falling for the first time in modern canada and a runaway housing market that has devastated middle class income earners this story isn t just about real estate and fentanyl overdoses though sam cooper has uncovered evidence that shows the primary actors in so called vancouver model money laundering have effectively made canada s west coast a headquarters for corporate and industrial espionage by the ccp and these ruthless entrepreneurs have used

vancouver and canada to export their criminal model to other countries around the world including australia and new zealand meanwhile cooper finds that the rcmp s 2019 arrest of its top intelligence official cameron ortis raises many frightening questions could chinese transnational criminals and state actors targeting canada s industrial and technological crown jewels have gained protection from the mounties could china and iran have insight into canada s deepest national security secrets and influence on investigations ortis had oversight of many investigations into transnational money laundering networks and insight into sensitive probes of suspects seeking to undermine canada s democracy and infiltrate the united states according to the evidence cooper has found wilful blindness is a powerful narrative that follows the investigators who refused to go along with institutionalized negligence and corruption that enabled the vancouver model with cooper drawing on extensive interviews with the whistle blowers thousands of pages of government and court documents obtained through legal applications and large caches of confidential material available exclusively to cooper the book culminates with a shocking revelation showing how deeply canada has been compromised and what needs to happen to get the nation back on track with its five eyes allies
