this opening volume of a three part history of the family in europe examines the material conditions of family life housing diet and domestic organisation and the economic and social factors that influenced its development

the family forms of historic europe have been fascinating in their variety their importance for the historical development of our continent would be difficult to exaggerate for our relationship with the peoples of the other continents of the world as well this book is an attempt to recover the different familial systems and compare them with one another the studies range from russia poland hungary and austria to scandinavia flanders and britain all the influences which have affected the character and composition of european households are taken into account the analysis covers their function as productive work groups in the procreation and bringing up of children and in the support of the elderly and their relationship with the wider society and its norms along with its political organization central and local claims that inheritance customs and inheritance practice and the occupation of the household head exerted a powerful influence on the size and composition of households are subjected to rigorous and systematic investigation

an original theory asserts that this distinctive form of kinship system developed in the northern mediterranean around the fourth century a d and that its subsequent growth can be attributed to the efforts of the early christian church to acquire property formerly held by domestic groups

the history of family and households has been the subject of intensive research for over a generation in the 1970s peter laslett and others set the agenda with a strong emphasis on geographical differences between northern and southern eastern and western europe others have challenged this view pioneering different approaches this volume takes stock of the field focussing particularly on family history in south east europe in comparison with the rest of europe the authors consider what european families have in common their regional and local differences and changes over time using the rich and fascinating variety of sources and methods used by family historians today contributors include guido alfani judit ambrus mirjana v bobić siegfried gruber peter guzowski violetta hionidou daniela lombardi beatrice moring silvia sovič pat thane alice velková marta verginella and pier paolo viazzo

ancestry of elizabeth may leach rixford through many of the royal lines of europe includes graves hungerford and other related families

ulwentreutz s the royal families in europe the reigning and formerly reigning sovereign royal houses of europe and south america even includes some almost unknown royal houses

ulwentreutz s royal families in europe v a brief history of the ruling houses during the last 2000 years from the house of la tour d auvergne to the house of zähringen

royal families of europe is the first volume on royal genealogy to be published by burke s in over thirty years it is written by william bortrick burke s royal editor this unique work is a comprehensive dictionary of the european royal families reigning and non reigning the volume features individual entries for over 50 royal houses which have reigned in europe since the eighteenth century it is also the first burke s publication to feature the newly announced editorial policy of listing offspring in order of birth rather than giving precedence to male children as was the case previously the volume is the definitive up

to date guide to royal genealogy and will also be of great interest to european historians entries comprise a detailed narrative pedigree of the royal families and include arms and portraits of the reigning sovereigns royal families of europe also includes a searchable pdf on cd rom featuring the full contents of the book br william bortrick is a specialist in the genealogy of royal aristocratic and historical families he is a director and trustee of the society of genealogists foundation for medieval genealogy and association of genealogists and researchers in archives

you have been assigned to cover the latest royal wedding that s easy enough remark on the lovely flowers oooh and aaah over the wedding dress make fun of the more outlandish hats piece of cake right of course but who is that lovely blond dressed in full tiara and sash royalty has always mystified the masses as a reporter your job is draw back those curtains but how can you do that if you don t know what s there yourself don t want to feel stupid about royal families anymore this book is a basic guide to help reporters and other royal followers identify european royalty of all stripes and give cursory information about who they are and why anyone cares

vols 227 230 no 2 include stuff and nonsense v 5 6 no 8 jan 1929 aug 1930

this book inaugurates a major three volume history of the family in europe over the past five hundred years in the series eminent european and american social historians present a fresh reading of family life in europe explaining how families and family relations differed across europe and how and why they changed over time
