master s thesis from the year 2022 in the subject art architecture history of construction grade 5 0 a course msc architecture language english abstract the focus of this master s thesis was on design approaches that would lessen the need for artificial means of boosting passive cooling accordingly this study made the recommendation that shopping mall design incorporate passive cooling strategies through appropriate building orientation adequate planting and installation of green landscape

elements efficient use and proper positioning of shading devices and careful selection of building materials that allow for adequate thermal insulation shopping malls are now far more complex in terms of both space and interior operations dispelling the notion that they exist solely for retail sales the mall serves as a significant urban development hub and provides customers with shopping entertainment leisure and recreation shopping malls have evolved to a closed building envelope as a result of this scale increase necessitating the deployment of additional machinery to handle the mall's interior heat numerous malls in nigeria only employ mechanical cooling systems which raises their operational costs in terms of purchase installation and maintenance therefore the goal of this project was to create a shopping center that used passive cooling techniques in its architecture the objectives assessed the characteristic of shopping mall design the cooling strategies used in shopping malls and the architectural design considerations for cooling thirteen case studies were selected using the random sampling techniques utilizing an observation checklist and the variable for each objective data from the chosen case studies were collected the statistical tool spss was used to evaluate the data that was gathered to ascertain the percentages of various variables for the characteristics of shopping mall architecture and the cooling strategies utilized in the chosen samples a descriptive survey method of analysis was used with an observation schedule findings revealed the frequency of the variables used throughout the study and it was concluded from the chosen case studies that shopping malls in nigeria rely more on active cooling systems than passive cooling strategies with mechanical cooling being used in 76.9 of the malls examined and mechanical and passive cooling being used in 23.1 of the malls additionally the results showed that 7.7 of the areas featured lakes pools and fountains respectively however 76.9 of the malls lacked evaporative cooling systems

this is the first volume in an important series entitled new directions in indian psychology its primary aim is to bring together the writings of indian scholars who have contributed to the development of the discipline in the post colonial period and given it a distinctive indian voice volume 1 is devoted to social psychology which has been one of the most fertile areas of research in india

Recognizing the exaggeration ways to get this book **Rs Agarwal Objective**

General English Pdf is additionally useful. You have remained in right site

to start getting this info. acquire the **Rs Agarwal Objective General English Pdf**

colleague that we present here and check out the link. You could buy guide Rs Agarwal Objective General English Pdf or acquire it as soon as feasible. You could quickly download this Rs Agarwal Objective General English Pdf after getting deal. So, following you require the book swiftly, you can straight acquire it. Its fittingly no question simple and as a result fats, isnt it? You have to favor to in this look

1. How do I know which eBook platform is the best for me?
