an attempt to provide a thorough introduction to ethical theory for health professionals this book covers subjects such as autonomy justice and beneficence

no one would deny the proposition that in order to understand human behavior and development one must understand feelings the interest in emotions is enduring yet within the discipline of psychology the study of feelings and emotions has been somewhat less than respectable a stepchild to the fields of cognitive science and psycholinguistics perusal of the language acquisition literature reveals a greater concern among psychologists for the acquisition of prepositions than for terms that convey feelings without question issues related to emotion its development and its measurement have been neglected in the

research literature until quite recently from a developmental perspective piaget and his followers have articulated a complex theory of transition and change in intellectual behavior nearly a century ago freud proposed an elaborate theory of personality development in which some aspects of emotional growth were considered we await the construction of a comprehensive theory of emotional development recognizing such a need we set out over a decade ago to solve what seemed to be a relatively simple problem by observing young children could one successfully classify children in terms of individual differences on emotional dimensions such as happiness fear and anger the task appeared easy one could send graduate students into a preschool and ask them to observe children for several days after which they would rank the children in terms of differences on various emotional dimensions

the fifth edition of professors hazen's hornbook has been revised to reflect the securities offering reform introduced in late 2005 and also recent supreme court developments professor hazen's hornbook now is totally up to date the revised fifth edition is a comprehensive secondary source for any course in securities regulation coverage includes definition of security registration and disclosure obligations under the securities act of 1933 exemptions from registration reporting obligations under the securities exchange act of 1934 the proxy rules tender offer regulation civil liabilities the book also focuses on broker dealer regulation market regulation and the administrative role of the securities and exchange commission the book also covers the securities law issues such as the proxy rules and insider trading that are covered in basic courses on corporations and business associations in addition the investment company act and investment advisers act are also covered making the book suitable for advanced courses in securities regulation as well the hornbook contains footnotes to resources that will aid students in further research and also is organized in the same manner as the six volume practitioner's edition in order to facilitate easy cross reference

dr jonathan ransom world class mountaineer and surgeon for doctors without borders is climbing in the swiss alps with his beautiful wife emma when a blizzard sets in in their bid to escape the storm emma is killed when she falls into a hidden crevasse twenty four hours later he is the subject of an international manhunt and the target of a master assassin his only chance at survival lies in uncovering the devastating truth behind the secret his wife kept from him and in stopping the terrifying conspiracy that threatens to bring the world to the brink of annihilation

this two volume collection of essays brings together major contemporary theoretical works on freedom of speech volume i begins with a theoretical overview of freedom of speech and then turns to the topics of what justifies freedom of speech and what kinds of acts raise free speech concerns volume ii examines

the distinctions among content regulations and between content and content neutral regulations it also analyses the concept of the public forum inciting and hateful speech and lastly the tension between the subsidizing activities of the affirmative state and the negative liberty of freedom of speech
