in victorian england portrait of an age g m young crafts a compelling narrative that captures the essence of the victorian era through its intricate social cultural and political tapestry the book employs a blend of vivid descriptions and analytical rigor immersing readers in the complexities of a time marked by industrial revolution imperial ambitions and profound social change young's keen observations draw on various sources including literature public discourse and personal accounts providing a multifaceted view of victorian society while situating it within the broader context of

European history. Young, a distinguished historian and biographer, was profoundly influenced by the tumultuous changes that capitalism and modernity wrought upon society. His academic journey illuminated the interconnectedness of the past and present, leading him to examine how historical narratives shape contemporary identities. Young's expertise is informed by his own reflections on the Victorian legacy, making him an authoritative voice on the subject. His experiences and intellectual rigor resonate throughout his work, allowing readers to appreciate the intricacies of an age that continues to shape modern Britain. For readers seeking to understand the foundations of contemporary society, Victorian England: Portrait of an Age is an essential read. Young's erudition and engaging prose invite you to traverse a crucial historical period, offering insights that remain relevant today. This work is not only a scholarly exploration but also a profound reflection on the enduring impact of the Victorian era.

What was life really like in Victorian England during its transition from provincial society into modern urban power? Discover the effects of increased women's rights, technological advances, and Charles Darwin's discoveries on everyday life. This volume offers a fascinating glimpse into Victorian daily living, including women's roles, Victorian morality, leisure, health, and medicine, and life in all settings, from workhouses to country estates. This edition features an extensive guide to contemporary primary source material and further research, including information about finding authoritative sources easily, on the illustrations, interactive sidebars, a chronology, and glossary. Further illuminate the details of Victorian culture. This volume is an ideal source for students and teachers alike. Discover the effects of increased women's rights, technological advances, and Charles Darwin's discoveries on everyday life. Engaging narrative chapters explore all aspects of the Victorian experience, including fashion, morality, courtship, and mourning rituals, crime and punishment, public school requirements, legal status, marriage, divorce, inheritance, guardians, and bankruptcy, sports like croquet and foxhunting, and the importance of religion.

The Victorians worried about many things, prominent among their worries being the condition of England and the question of its women. Sex, crime, and literature in Victorian England revisits these particular anxieties, concentrating more closely upon four crimes which generated especial concern amongst contemporaries: adultery, bigamy, infanticide, and prostitution. Each engaged questions of sexuality and its regulation, legal, moral, and cultural, for which reason each attracted the considerable interest not just of lawyers and parliamentarians but also novelists and poets, and perhaps most importantly those who in ever larger numbers liked to pass their leisure hours reading about sex and crime alongside statutes such as the 1857 Matrimonial Causes Act and the 1864 Contagious Diseases Act. Sex, crime, and literature in Victorian

england contemplates those texts which shaped victorian attitudes towards england s condition and the question of its women the novels of dickens thackeray and eliot the works of sensationalists such as ellen wood and mary braddon and the poetry of gabriel and christina rossetti sex crime and literature in victorian england is a richly contextual commentary on a critical period in the evolution of modern legal and cultural attitudes to the relation of crime sexuality and the family

this volume offers an overview of what it was like to be female and to live and die in victorian england c 1837 1901 by situating this experience within the scientific and social contexts of the times with a temporal focus on women s life experience the book moves from childhood and youth through puberty and adolescence to pregnancy birth and motherhood into senescence drawing on osteological sources medical discourses and examples from the literature and cultural history of the period alongside social and environmental data derived from ethnographic and archival investigations the authors explore the experience of being female in the victorian era for women across classes in synthesizing current research on demographic statistics maternal morbidity and mortality and bioarchaeological evidence on patterns of aging and death they analyze how changing social ideals cultural and environmental variability shifting economies and evolving medical and scientific understanding about the body combined to shape female health and identity in the nineteenth century victorian women faced a variety of challenges including changing attitudes regarding appropriate behavior social roles and beauty standards while grappling with new understandings of the role played by gender and sexuality in shaping women s lives from youth to old age the book concludes by considering the relevance of how victorian narratives of womanhood and the experience of being female have influenced perceptions of female health and cultural constructions of identity today

the plight of the fallen woman is one of the salient themes of nineteenth century art and literature indeed the ubiquity of the trope galvanized the victorian conscience and acted as a spur to social reform in some notable examples julia grella o connell argues the iconography of the victorian fallen woman was associated with music reviving an ancient tradition conflating the practice of music with sin and the abandonment of music with holiness the prominence of music symbolism in the socially committed quasi religious paintings of the pre raphaelites and their circle and in the catholic wagnerian novels of george moore gives evidence of the survival of a pictorial language linking music with sin and conversion and shows even more remarkably that this language translated fairly easily into the cultural lexicon of victorian britain drawing upon music iconography art history patristic theology and sensory theory grella o connell investigates female fallenness and its implications against the backdrop of the social and religious turbulence of the mid nineteenth century

anti catholic sentiment was a major social cultural and political force in victorian england capable of arousing remarkable popular passion hitherto however anti catholic feeling has been treated largely from the perspective of parliamentary politics or with reference to the propaganda of various london based anti catholic religious organizations this book sets out to victorian anti catholicism in a much fuller and more inclusive context accounting for its persistence over time disguising it from anti irish sentiment and explaining its social economic political and religious bases locally as well as nationally the author is principally concerned with determining what led ordinary people to violent acts against roman catholic targets violent acts against roman catholic petitions joining anti catholic organizations and reading anti catholic literature all too often english history and even british history turns out to be the history of what was happening in the west end one of the special distinctions of this book is that it shows the interplay between national issues and their local conditions the book covers the period ca

the victorians were passionate about family while queen victoria s supporters argued that her intense commitment to her private life made her the more fit to mother her people her critics charged that it distracted her from her public responsibilities here nelson focuses particularly on the conflicting and powerful images of family life that victorians produced in their fiction and nonfiction that is on how the victorians themselves conceived of family which continues both to influence and to help explain visions of family today drawing upon a wide variety of 19th century fiction and nonfiction nelson examines the english victorian family both as it was imagined and as it was experienced for many victorians family was exalted to the status of secular religion endowed with the power of fighting the contamination of unchecked commercialism or sexuality and holding out the promise of reforming humankind although in practice this ideal might have proven unattainable the many detailed 19th century descriptions of the outlook and behavior appropriate to fathers and mothers sons and daughters and other family members illustrate the extent of the pressure felt by members of this society to try to live up to the expectations of their culture defining family to include the extended family the foster or adoptive family and the stepfamily nelson considers different roles within the victorian household in order to gauge the ambivalence and the social anxieties surrounding them many of which continue to influence our notions of family today

the victorian era has dominated the popular imagination like no other period but these myths and stories also give a very distorted view of the 19th century the early victorians were much stranger than we usually imagine and their world would have felt very different from our own and it was only during the long reign of the queen that a modern society emerged in unexpected ways using character portraits events and key

moments paterson brings the real life of victorian britain alive from the lifestyles of the aristocrats to the lowest ranks of the london slums this includes the right way to use a fan why morning visits were conducted in the afternoon what the victorian family ate and how they enjoyed their free time as well as the victorian legacy today convenience food coffee bars window shopping mass media and celebrity culture praise for dicken s london out of the babble of voices michael paterson has been able to extract the essence of london itself read this book and re enter the labyrinth of a now ancient city peter ackroyd

an utterly brilliant and deeply researched guide to the sights smells endless wonders and profound changes of nineteenth century british history books monthly uk step into the past and experience the world of victorian england from clothing to cuisine toilet arrangements to transport and everything in between a visitor s guide to victorian england is a brilliant guided tour of charles dickens s and other eminent victorian englishmen s england with insights into where and where not to go what type of people you re likely to meet and what sights and sounds to watch out for utterly brilliant books monthly uk like going back in time higgs s book shows armchair travelers how to find the best seat on an omnibus fasten a corset deal with unwanted insects and vermin get in and out of a vehicle while wearing a crinoline and avoid catching an infectious disease drawing on a wide range of sources this book blends accurate historical details with compelling stories to bring alive the fascinating details of victorian daily life it is a must read for seasoned social history fans costume drama lovers history students and anyone with an interest in the nineteenth century

all of the essays in this book were previously published topics deal with the changing populations in england during that period which were caused by mass immigration the post emancipation tensions within the jewish community and the role of such leaders as sir mores montefiore and sir george kessel the noted juris are elaborated on

as dangerous as if she stood on the corner of the street exploding gunpowder this was the view of miles a correspondent in the bedfordshire mercury writing about the dangerousness of prostitutes in 1874 they were considered a scourge by the victorians a menace to society and a threat to the moral and physical wellbeing of a nation carrying disease committing crime corrupting others prostitutes were the most feared social evil these women were the focus of controlling and invasive legislation designed to clear the streets they were imprisoned and removed from their friends and family they were scorned and shamed and deemed worthless by much of society the contemporary view of prostitution in the nineteenth century is colored by years of ripperology a grim fascination with the lives of a few mutilated women living in london however prostitutes were far more than caricatures of sinners or inevitable victims and

lived in every other part of England too searching through the plethora of newspaper census police and local history records it is now possible to uncover the lives of prostitutes in greater detail than ever before and discover the real women behind the stereotypes piecing together these women's movements from cradle to grave and from one side of the country to another builds a rich picture of what it meant to be a prostitute including the lives of prostitutes living in small towns villages and islands that have all been previously overlooked this book explores the lives of the women who were omitted from the genteel history books of the past aiming to identify what they looked like what life was like for them and who the important people in their lives were it also looks in depth at the lives of a select few prostitutes examining what drew them into prostitution and what happened to them afterwards from Whitehaven to North Shields from Peterborough to Bloomsbury via Paris these women led extraordinary richly textured lives that are still relevant today and that we can continue to learn so much from the perfect introduction to Victorian prostitutes for family and local historians genealogists and students of the Victorian era
