russian history is first and foremost a history of personalized power as russia startles the international community with its assertiveness and faces both parliamentary and presidential elections lilia shevtsova searches the histories of the yeltsin and putin regimes she explores within them conventional truths and myths about russia

paradoxes of russian political development and russia s role in the world russia lost in transition discovers a logic of government in russia a political regime and the type of capitalism that were formulated during the yeltsin and putin presidencies and will continue to dominate russia s trajectory in the near term looking forward as well as back shevtsova speculates about the upcoming elections as well as the self perpetuating system in place the legacies of yeltsin and putin and how it will dictate the immediate political future she also explores several scenarios for russia s future over the next decade

research and analysis of the post soviet russian experience of political economic and social change have generally focused attention on the complications and influences of the soviet legacy on the transition process with most early main stream studies emphasizing the difficulties of the adoption of the institutions of democracy and a free market economy to the centralized command and control legacy structures carried over from that adjacent system to the more recent analyses that have attempted to explain why the putinist hybrid authoritarian democracy emerged to take control of the russian state the complex nature of the russian experience of political social and economic change had yet to be explained as a long term legacy analysis until now with the linkages presented in this study of the legacies and structures that have defied attempts at reform by the bolsheviks the soviets and the modern republicans the political geography of russia represents a districting system that defines the people and places and represents an influential legacy structure that has had a long reach from the russia of imperialism to the russia of putinism and the twenty first century a clearer understanding of the influences the imperial legacy brings to the russian transformation enables the student of post soviet russian transition an opportunity to contextualize the strong linkages of historical governance structures with the one hundred years of bolshevik and soviet system capture and the struggles of transformation faced by the government and people of russia today

politics russia provides the most comprehensive accessible and up to date introduction to all aspects of the political development of russia in the post communist era writing with the undergraduate student specifically in mind danks fluent style and masterly grasp of complex material will make this an indispensable guide for many years to come divided into five sections politics russia maps a clear path towards an understanding of russia and its politics in the twenty first century in part one the emergence of contemporary russia is put into context by a consideration of the end of the ussr and the move towards democratization under gorbachev part two

provides a clear sighted and stimulating overview of the nature of the executive and the legislature in contemporary russia part three examines civil society the role of the media and the representative process part four is focussed on the policy process from foreign and defence policies to the development of domestic social policies from the provision of healthcare to education part five the final provides an overall consideration the contemporary state of russia examining the development from yeltsin to putin to medvedev and considers the possible futures of the region the book is supported by a host of pedagogical features including annotated further reading lists definitions of key political terms short biographies of key figures

the volume provides a retrospective analysis of putin s eight years as president between 2000 and 2008 an international group of leading specialists examine putin s leadership in an informed and balanced manner the authors are drawn from russia itself as well as from europe america and australasia coverage includes general analysis of the putin presidency the ideology underlying the thinking of the regime issues of institutional development including coverage of parties parliament and elections developments in the federal system corruption and changes in the configuration of the elite the impact of energy on changes in political economy provides the background to an assessment of russia s re emergence as a great power in international affairs accompanied by analysis of the difficulties in russia s relations with its former soviet neighbours and the european union the authors examine the interaction between power and policy and draw some conclusions about the dynamics of putin s system of government and thus of the fate of russia this book was published as a special issue of europe asia studies

taking stock of the first decade of the transformation in the former soviet bloc this timely book explores the legacies of state socialism and attempts by once communist countries to move toward a democratic market oriented system leading international scholars consider the ways traditions interact with other factors both domestic and foreign to influence the course of social political and economic change with its blend of theory and case studies and its clear narrative this book will be a valuable text for students of transition russian politics and the transformation of eastern europe visit our website for sample chapters

the heritage of civil military relations in russia the security community in the balance of power militarization and siloviki international terrorism as a tool of centralization conclusion

this contributed volume provides a valuable comparative examination of the state of transatlantic relations the comparative approach utilized highlights the often understudied differences in perception and policy that exist across european and north american states towards the idea and practice of the transatlantic relationship

although the score of countries comprising russia s near abroad the former non russian soviet republics and far abroad the former non russian warsaw pact states are behaving with variably increasing independence in their domestic and foreign policies russia continues to regard them as remaining within the same core periphery sphere of influence formerly exerted by the soviet union within the same geographic space russia misinterprets bids by these countries to adopt liberalizing structural reforms and to join euro atlantic organizations as foreign inspired and inimical to russia s security whether russia can learn to recognize that such bids are in fact natural developments of national self interest will determine whether healthy and mutually beneficial bilateral relations can develop between russia and the states of her near and far abroad in the 21st century no previous study of the dynamics of post soviet assertive sovereignty has as broad a geographic scope as eurasia rising which considers the whole of post soviet space dt belarus moldova ukraine dt estonia latvia lithuania dt armenia azerbaijan georgia dt kazakhstan kyrgyzstan tajikistan turkmenistan uzbekistan dt albania bulgaria czech republic hungary poland romania slovakia

publisher description

lowry presents a powerfully expressed and researched bill of indictment that will confront bill and hillary s own memoirs with an unanswerable challenge

this volume brings together views on the nexus and the conflicts between transformation of states and societies and transnationalization processes in politics economy and culture thematic articles and case studies deal with conditioned nations states in latin america eastern europe and the former soviet union these nations states are on the one hand subjected to transnational institutions models and forces and cannot fall back on the model of the classic nation state on the other hand the issues traditionally linked to the nation state as a polity sovereignty national economy and identity are still salient as they serve to describe and evaluate the consequences of transnationalization the volume addresses those processes as imminently political ones and poses the question of a transnational polity

When people should go to the books stores, search instigation by shop, shelf by shelf, it is essentially problematic. This is why we offer the book compilations in this website. It will completely ease you to look guide **Russia Lost In Transition The Yeltsin And Putin Legacies** as you such as. By searching the title, publisher, or authors of guide you in point of fact want, you can discover them rapidly. In the house, workplace, or perhaps in your method can be all best area within net connections. If you wish to download and install the **Russia Lost In Transition The Yeltsin And Putin Legacies**, it is utterly simple then, back currently we extend the belong to to purchase and make bargains to download and install **Russia Lost In Transition The Yeltsin And Putin Legacies** so simple!
