this study introduces a new perspective on lincoln and the civil war through an examination of his declaration of our national values and the subsequent interpretation of those values by families during the war this volume is a completely new approach to civil war history historians rightly regard abraham lincoln as a moral exemplar a president who gave new life to the national values that defined america while some previous studies attest to lincoln s identification with family virtues this is the first to link lincoln s personal biography with actual histories of families at war it analyzes the relationship that existed between lincoln and these families and assesses the moral struggles that validated the families decision for or against the conflict written to be accessible to students and the general reader alike the book examines lincoln s presidency as measured against the stories of families north and south that struggled with his definition of union virtues it looks at lincoln s compelling case for democratic values among them justice patriotism honor and commitment first stated in his 1861 speech before independence hall the work also uses case studies to demonstrate how virtue as practiced in families illuminated contested adapted and even transformed his concept giving new meaning to the virtues of war

in the neutral merchant in relation to the law of contraband of war francis taylor piggott meticulously examines the intricate legal frameworks that define the role of neutral parties in wartime commerce written in a clear yet scholarly prose piggott delves into case studies and historical precedents elucidating the tension between state sovereignty and free trade with a keen focus on principles established in international law this work critically evaluates the evolving definitions of contraband and the implications for neutral merchants grounding his analysis in a rich literary context that spans across legal texts and diplomatic correspondences from previous eras piggott an eminent legal scholar and practitioner of his time was deeply influenced by the tumultuous geopolitical landscape of the early 20th century marked by world war i and shifts in international trade dynamics his extensive background in maritime law and previous engagements with legal theory provided him with a unique perspective enabling him to traverse the intersections of commerce conflict and neutrality with great acuity his scholarly rigor is reflected throughout the book as he seeks to clarify the often

ambiguous legal environment faced by neutral merchants this book is highly recommended for scholars and practitioners in the fields of international law maritime law and history as well as for anyone interested in the complexities of trade during wartime piggott Äôs nuanced exploration of neutrality not only enriches our understanding of legal doctrines but also prompts critical reflections on contemporary international relations
