avertissement au lecteur en publiant une très grande partie du formulaire secret des rose croix d orient nous avons avant tout tente de mettre aux mains de tous ceux que passionne le prestigieux plan de la rose croix générale un véritable outil de travail il est bien évident que les rose croix du xviie siècle étaient profondément mystiques et chrétiens adversaires du catholicisme d alors intolérant et impitoyable ils étaient également anticléricaux et donc très

proches du protestantisme l'anti occultisme de ce dernier mis a part mais il est non moins évident que le terme même n'a plus guère d'écho au sein des milieux qui se parent de ce nom les rose croix de la franc maçonnerie ne sont pas toujours chrétiens rarement occultistes et les rosicruciens modernes ont une orientation différente néanmoins il faut restituer à César ce qui lui appartient et à ce titre l'enrichissement que nous présentons pour la première fois au public ne surprendra pas son climat mystique le lecteur de bonne foi et suffisamment averti c'est là un manuel authentiquement rosicrucien et il est absolument dans l'esprit de ceux qui seuls eurent dans l'histoire le privilège d'oeuvrer sous ce vocable et d'en porter le nom que le lecteur rationaliste égare en ses pages ne s'en offusque donc pas les véritables rose croix d'autrefois ne pensaient pas comme lui au surplus occultiste martiniste maçon templier kabbaliste et gnostique l'auteur de ces lignes s'excuse auprès de certains de ses lecteurs qui désireraient ou simplement souhaiteraient le voir se réserver pour telle ou telle matière de leur choix les mystiques déplorent le voir publier des ouvrages d'occultisme les occultistes déplorent le voir rédiger des livres traitant de mysticisme et les francs mâçons parfois regrettent qu'il ne se consacre pas uniquement au symbolisme hautement ésotérique de leurs rites séculaires ledit auteur s'excuse auprès de tous mais les raisons qui l'incitent à publier à telle époque tel ouvrage et à tel autre moment tel autre livre ces raisons doivent demeurer secrètes que tous les lecteurs se rassurent il existe pour tout ceci des motifs parfaitement valables et sérieux motifs qui doivent néanmoins demeurer obscurs grâce donc à ces oraisons secrètes merveilleusement composées ou sagement recueillies reposant sur des traditions ésotériques qui leur permettent de faire vibrer en un arbre plan l'archétype initial auquel elles se rattachent grâce à elles le rosicrucien authentique pourra oeuvrer à chaque instant de sa vie et en toutes les circonstances prévisibles au plan général de la rose croix universelle dès qu'un problème se posera pour lui dans le cadre de cette action occulte à laquelle il a librement consenti de collaborer le rosicrucien n'aura qu'à se souvenir de l'existence de ce formulaire dont le format d'ailleurs lui permettra de l'avoir constamment sur lui ou à portée de main il sera certain d'y trouver l'oraison ésotérique propre à résoudre le problème pose la rencontre d'un informé d'un miséreux d'un animal blessé le soulagement d'un malade l'assistance à une famille blessée le soulagement d'un malade l'assistance à une famille éprouvée l'arrêt d'un fléau naturel etc pour toutes ces choses il rencontrera en ce petit livre la possibilité d'une action bienfaisante

efficente désintéressée et que nous lui recommandons de conserver secrète car comme le maléfice le plus redoutable réclame le secret pour être réellement efficient de même la bonne action ne sera que plus réelle et plus profonde si elle est accomplie dans le secret

this volume is based upon papers read during the innovative section western esotericism and the science of religion organized at the 17th international congress of the international association for the history of religions iahr in mexico city august 5 12 1995 the section was created in order to fill a long standing hiatus in the academic study of religions whereas phenomena such as gnosticism and hermetism in antiquity and even the occult sciences of that period have long been recognized as subjects worthy of serious investigation the history of similar and related phenomena in more recent periods has hardly received the same measure of scholarly attention and recognition the present volume is devoted to the academic emancipation of these areas as constituting a legitimate domain of research which may be referred to by the generic label western esotericism preceded by an introductory essay on the birth of this new discipline in the study of religion the volume provides a sample of current research in the field and devotes special attention to some central methodological questions

When somebody should go to the books stores, search commencement by shop, shelf by shelf, it is in reality problematic. This is why we offer the ebook compilations in this website.
