the classic book has always read again and again what is the classic book why is the classic book read read read then you ll know it s excellence

along with his confessions the city of god is undoubtedly st augustine s most influential work in the context of what begins as a lengthy critique of classic roman religion and a defense of christianity augustine touches upon numerous topics including the role of grace the original state of humanity the possibility of waging a just war the ideal form of government and the nature of heaven and hell but his major concern is the difference between the city of god and the city of man one built on love of god the other on love of self one cannot but be moved and

impressed by the author's breadth of interest and penetrating intelligence for all those who are interested in the greatest classics of christian antiquity the city of god is indispensable this long awaited translation by william babcock is published in two volumes with an introduction and annotation that make augustine's monumental work approachable books 11-22 offer augustine's christian view of history including the christian view of human destiny the index for books 1-22 both volumes of the city of god is contained in this edition

one of the most influential religious books in the christian tradition recalls crucial events in the author's life his mid 4th century origins in rural algeria the rise to a lavish lifestyle at the imperial court in milan his struggle with sexual desires eventual renunciation of secular ambitions and marriage and recovery of his catholic faith

the confessions of st augustine by saint augustine

confessions is the name of an autobiographical work consisting of 13 books by saint augustine of hippo written in latin between ad 397 and 400 the work outlines saint augustine's sinful youth and his conversion to christianity modern english translations of it are sometimes published under the title the confessions of saint augustine in order to distinguish the book from other books with similar titles its original title was confessions in thirteen books and it was composed to be read out loud with each book being

augustine of hippo b. d. 354 is considered the single most influential theologian in the history of the church in the west among his many contributions augustine developed a sexual ethic that became decisive for all later teachings in the christian west on issues of marriage reproduction and sexuality some of the most significant and representative passages on marriage and sexuality from his works are presented here they recount augustine's own struggle with sexuality and stress the important role it played in his conversion to christianity as well as its influence on his theological principles later in life the passages in this collection are divided into four chapters which document the chronological development of augustine's sexual ethic the first chapter includes passages that pertain to augustine's own life and illustrate some of his positive and negative models of marital relation the second chapter recounts augustine's responses to the manichean teachings on the body reproduction and marriage mostly from his early years as a christian the third chapter contains passages marking augustine's reaction to the ascetic debates within late fourth century latin christianity and finally the fourth chapter illustrates augustine's mature sexual and marital ethic which he elaborated in the midst of and in reaction to arguments with pelagian writers in a separate introduction elizabeth clark sets the development of augustine's thought within the context of his own intellectual biography and views it against the background of related issues and movements in the late fourth and early fifth centuries such as manichaeism jovinianism and pelagianism the selections she presents here offer a comprehensive and uncommonly well balanced picture of augustine and his work st augustine on marriage and sexuality is the first in a projected series of volumes on various themes found in the writings of the church fathers about the editor elizabeth clark is john carlisle kilgo professor of religion at duke university she is a past president of the american academy of religion and the north american patristic

society and a member of the editorial board of the fathers of the church series

augustine of hippo s confessions recount how slowly and painfully he came to turn away from his youthful ideas and licentious lifestyle to become instead a staunch advocate of christianity and one of its most influential thinkers

written at the end of the fourth century augustine s rule for clergy in community spread like fire among stubble in the sweeping movement for reform of clerical life in the eleventh and twelfth centuries among those who lived by it were premonstratensians norbertines canons regular of saint augustine and augustinian hermits martin luther s order several military orders the ursulines visitation sisters and the dominican friars shorter and less detailed than the rule of benedict the rule of augustine guides communities formed for the active ministry both masculine and feminine versions are translated here

the present volume consists of a collection of minor writings of st augustine often classified under the general title of works of moral and practical theology

presents an english translation of saint augustine s confessions in which the fourth century bishop reflects on his faith and reveals his sins

this is a new release of the original 1923 edition

in the confessions of st augustine the revered theologian and philosopher crafts a profound narrative of his spiritual journey blending autobiography with philosophical reflection and theological treatise written in the late 4th century this seminal work employs a confessional style that emphasizes the introspection of augustine s inner turmoil and eventual conversion to christianity stylistically rich and deeply personal the text captures the complexities of human sin grace and the search for divine truth positioning augustine as a critical figure in both christian thought and western literature his innovations in narrative form set a precedent for future genres of personal reflection and introspection saint augustine of hippo one of christianity s most influential thinkers lived a life marked by both fervent philosophical inquiry and profound moral struggles born in north africa in 354 ad augustine experienced a tumultuous youth characterized by hedonism and skepticism before embracing christianity his formative experiences particularly his interactions with the manichaeian sect and his friendships with intellectuals culminated in a quest for truth that is vividly chronicled in his confessions allowing readers to witness the transformation of his faith the confessions of st augustine is essential reading for anyone seeking to understand the interplay between personal experience and spiritual enlightenment its exploration of the human condition resonates across the centuries offering insights that are as relevant today as they were during augustine s lifetime readers will find in augustine s struggles a mirror reflecting their own quests for meaning making this work a timeless companion on the path of spiritual growth in this enriched edition we have carefully created added value for your reading experience a succinct introduction situates the work s timeless appeal and themes the synopsis outlines the central plot highlighting key developments without spoiling critical

twists a detailed historical context immerses you in the era's events and influences that shaped the writing an author biography reveals milestones in the author's life illuminating the personal insights behind the text a thorough analysis dissects symbols motifs and character arcs to unearth underlying meanings reflection questions prompt you to engage personally with the work's messages connecting them to modern life hand-picked memorable quotes shine a spotlight on moments of literary brilliance interactive footnotes clarify unusual references historical allusions and archaic phrases for an effortless more informed read

the influential early work by the great doctor of the church describes saint augustine's journey from sinner to man of faith and reflects on such themes as faith identity truth time self-understanding education and spiritual awakening

more than an autobiography the confessions of st augustine is one of the most influential religious books in the christian tradition a great work of western literature it recalls crucial events and episodes in the author's life in particular life with his devoutly christian mother and his origins in rural algeria in the mid-fourth century and the rise to a lavish life at the imperial court in milan his struggle with sexual desires eventual renunciation of secular ambitions and marriage and recovery of his catholic faith this intensely personal narrative among the first in which self-analysis was used to describe spiritual and emotional experiences provides a detailed classic recounting of one man's internal struggles and religious conversion the book will be useful to anyone interested in the impact made by one of the foremost leaders in the development of christian thought in his confessions saint augustine reflects upon his life in the light of scripture and the presence of god he begins with his infancy pondering the many sins of his life before his conversion and he confesses not only his sins but even more the greatness of god this work presents a wonderful contrast between the holy god who created all things and whom heaven and earth cannot contain and a commonly sinful man who has joyfully received god's loving salvation and mercy many scholars consider saint augustine to be among the greatest and most influential fathers of the early church and as you read his confessions you will find the confident humility that is common among those whom jesus calls great in the kingdom of heaven augustine writes as a common man and so his words span time and tradition may his confessions guide you to the one whom he confesses
