key message the eleventh edition of this highly regarded introductory text emphasizes inference and sound decision making through its extensive coverage of data collection and analysis mcclave develops statistical thinking and teaches readers to properly assess the credibility of inferences from the vantage point of both the consumer and the producer this edition incorporates more exercises and more visual features such as redesigned end of chapter summaries and an increased use of applets this text assumes a mathematical background of basic algebra key topics statistics data and statistical thinking methods for describing sets of data probability discrete random variables continuous random variables sampling distributions inferences based on a single sample estimation with confidence intervals inferences based on a single sample tests of hypothesis inferences based on a two samples confidence intervals and tests of hypotheses analysis of variance comparing more than two

means simple linear regression multiple regression and model building categorical data analysis nonparametric statistics market for all readers interested in statistics

america had been attacked and ravaged over three nights by an elite force of al qaeda guerilla teams but thanks to fbi special agent philip calvert and his ad hoc team of agents cops and marine sharpshooters that assault had been blunted and many of the attackers killed or captured still al qaeda had accomplished much for the assault had terrified americans from the smallest hamlets to the largest cities and so successful had the assault been that the evil mastermind behind it is now determined to repeat it again and again and again until america bows and submits to islam and the rule of the supreme iranian ayatollah unfortunately for this evil genius and his allies seemingly disgraced agent philip calvert is actually still on the job and so is his team now no longer an ad hoc group but america s premiere anti terrorist task force task force at and its job isn t simply to counter terrorists and arrest them but to eliminate them with prejudice
