stereotypes are mere pictures in our heads prejudice and suspicion against all that is perceived of as different give rise to cultural stereotypes creating stereotypes also involves connecting the created categories with values equipping the categories with an ideational label thus stereotypes often contain the presupposition that one's own group represents the normal or even universal and that one's own culture and its socially construed concepts of reality is superior and normative in relation to other cultures and world views the stereotypes are not just one person's private attitude but are always shared with a larger socio cultural group stereotypes result in simplifications that prevent people from seeing the otherized

individuals as they truly are this book aims at transgressing the boundaries of the strategically generated stereotyped image of a homogenous indian culture rather by highlighting the marginalised issues related to class caste and gender this book by citing examples of select indian literary and cinematic representations argues that the stigma related to the non conformist alternative minority identities is baseless and fraudulent

covers the area of feminist media criticism this edition discusses subjects including alternative family structures de westernizing media studies industry practices sex and the city oprah and buffy

drawing on the work of a large team of specialists this book contains 500 entries on all the leading directors stars studios and genres in indian cinema in addition to comprehensive filmographies it also features 1450 entries on key films from all periods and regions with cast and credits as well as concise critical evaluations a chronicle of film history together with basic production statistics and an index complete the volume

this book redefines the concept of pastiche in life as well as in art to make it relevant in the context of societies which for non cultural reasons find themselves naively adopting instead of discriminately adapting the aggressive codes of western culture

in the aftermath of the political upheavals of the 1970s many who suffered for their political convictions have recounted the ruthless tyranny of those dark times in prison memoirs here joya mitra recalls the less fortunate one the ones she left behind these are portraits of women who overstepped the boundaries of social norms sometimes unknowingly but most often because they were deprived of all choice women who were banished from society and kept in prisons for correction

south asian pornographies is the first consolidated volume that explores the relationships between pornography obscenity law and desire in south asia focusing on case studies from india sri lanka and bangladesh while gesturing towards other countries in south asia the authors of this volume come from fields as varied as history literature media and communication and the visual arts the book proposes that as a geo political location south asia has a unique relationship to pornography given the multiplicity of cultural and legal censorial regimes that define the obscene and the permissible south asian case studies can demonstrate how pornography in the region is often defined in oblique terms finding reflection in various modes of popular and sometimes underground culture bypassing legal and censorial constraints like questions of identity that can

only be answered in the plural identities rather than identity this book demonstrates how a range of pornographies constitutes the force field of sexualized media in south asia it will be of interest to researchers and advanced students of communication studies cultural studies film studies history sociology and social and cultural anthropology the chapters in this book were originally published in the journal porn studies
