the following is a discussion on the different branches of peace of mind and their benefits in both worlds this discussion includes peace of mind general positive character strengthening faith sincerity truthfulness patience gratitude family socializing hadith lives of the prophets pbut seerah biographies of the companions ra supplications infographics events news thought quranic tafseer sermons women kids and more adopting positive characteristics leads to peace of mind

the following short book discusses some sermons on peace of mind adopting positive characteristics leads to peace of mind

the following short book discusses two aspects of noble character peace of mind and contentment adopting positive characteristics leads to peace of mind

the following short book discusses the true servants of the most merciful this discussion is based on chapter 25 al furqan verses 63 76 of the holy quran and the servants of the most merciful are those who walk upon the earth easily and when the ignorant address them harshly they say words of peace and those who spend part of the night to their lord prostrating and standing in prayer and those who say our lord avert from us the punishment of hell indeed its punishment is ever adhering indeed it hell is evil as a settlement and residence and they are those who when they spend do so not excessively or sparingly but are ever between that justly moderate and those who do not invoke with allah another deity or kill the soul which allah has forbidden to be killed except by right and do not commit unlawful sexual intercourse and whoever should do that will meet a penalty multiplied for him is the punishment on the day of resurrection and he will abide therein humiliated except for those who repent believe and do righteous work for them allah will replace their evil deeds with good and ever is allah

forgiving and merciful and he who repents and does righteousness does indeed turn to allah with accepted repentance and they are those who do not testify to falsehood and when they pass near ill speech they pass by with dignity and those who when reminded of the signs of their lord do not fall upon them deaf and blind and those who say our lord grant us from among our wives and offspring comfort to our eyes and make us a leader example for the righteous those will be awarded the chamber for what they patiently endured and they will be received therein with greetings and words of peace abiding eternally therein good is the settlement and residence adopting positive characteristics leads to peace of mind

in this day and age it has become a common and accepted practice to unleash one's tongue and use it in the incorrect way the ultimate loser of this attitude is the speaker even if they obtain worldly things through this behaviour a hadith found in sahih muslim number 7482 warns that a person may utter a word which they deem insignificant but it will cause them to sink into hell further than the distance between the east and west of this world it is confirmed in a hadith found in sunan ibn majah number 3973 that words are the main cause of people entering hell it is clear from the holy quran that each word a person utters is recorded and they will be held accountable for it on the day of judgment chapter 50 qaf verse 18 he i e man utters no word except that with him is an observer prepared to record this should make it clear to all the significance of the words they speak and the importance of constantly keeping their tongue in check this is not possible to achieve without knowledge therefore this book will discuss the different dangers of the tongue and how to avoid them adopting positive characteristics leads to peace of mind
