seminar paper from the year 2013 in the subject film science grade 2 7 university of freiburg language english abstract schindler s list is certainly one of the most famous works about the holocaust that has ever been created so far since the 1970s the memory of the holocaust became more and more integrated as an important element not only of jewish american culture but of american culture in general the film that was published in 1994 by one of hollywood s most famous directors can be seen as a milestone in this process of the americanization of the holocaust other very successful projects preceded that aimed to preserve the memory of the holocaust in american culture such as the tv series holocaust or the opening of the national memorial museum in 1993 this process of integrating the holocaust as an essential part in american culture is described in peter novick s study the holocaust in american life i will try to analyze the film as part of this process and raise several questions about its meaning in this context i will at first examine the historical background of the time when the film was published i will try to find out what makes schindler s list typical for an american hollywood movie and how the film americanizes in this way the subject of the holocaust before that i will examine how the idea of schindler s list emerged and how it became possible that this delicate topic was chosen by spielberg who was rather known for his spectacular entertainment movies up to this point to answer these questions i will also analyze elementary elements of the film suspense structure characters technical aspects and also shortly deal with the reception and critics of the movie finally i will discuss the question which impact the movie had or could have for the viewer s perception of the holocaust and in which way the movie shaped what novick calls the collective memory of the holocaust

this text presents a critical survey of a broad range of fictional representations of the holocaust published over the last 20 years

to show how the holocaust has become a mass marketed production

the receptions of schindler s list and the public conversations it has triggered touch upon issues including the representation of history by cinema and popular culture the role of national identity in the shaping and selective reception of popular memory and others this book debates the representation and reception of schindler s list

a look at the making of the award winning film schindler s list suggested level intermediate secondary

what is history how do we represent it how do our notions of history change over time the essays in the historical film history and memory in media probe the roles that cinema and television play in altering and complicating our understanding of historical events the book brings together representative examples of how both media critics and historians write about history as it is created and disseminated through film and television the essays explore what is at stake culturally and politically in media history and how this form of history making is different from traditional historiography the volume is divided into four parts regarding history history as trauma history fiction and postcolonial memory and history and television that progressively deepen our understanding of just how complex the issues are essays by top scholars analyze many different kinds of film historical film documentary costume drama and heritage films the section on television is equally broad examining phenomena as diverse as news broadcasts and ken burns s documentary the civil war contributors are mbye cham george f custen mary ann doane richard dienst taylor downing gary edgerton naomi greene miriam bratu hansen sue harper sumiko higashi
