written in bob frissell's warm personal style with updated commentary something in this book is true is both an account of frissell's journey to inner discovery and empowerment and a most unusual reader's guide delving into topics as eclectic as polarity consciousness emotional body clearing and higher selves frissell affirms that humanity is composed of spiritual beings having human experiences not vice versa this new edition incorporates photos and illustrations into frissell's engaging text

a very engaging read about how time travel has captured our imaginations you will find a number of surprising discoveries awaiting you fred alan wolf author of taking the quantum leap the idea of time travel has tantalized humans for millennia we can send humans into space but roaming through time has eluded us do the laws of physics demand that we stay forever trapped in the present this book is from the future will explore time travel theories and machines of the past present and future time and the multiverse why wormholes parallel universes and extra dimensions might allow for time travel the paranormal aspects of time might we already be mentally time traveling mysterious time shifts slips and warps that people are reporting all over the world are we experiencing coexisting timelines time travel conspiracy theories are we already walking among real time travelers has a real time machine already been created in a top secret government facility from pop culture fantasies to wild conspiracy theories to the latest scientific thinking this book is from the future is a fascinating exploration of our collective obsession with time jones and flaxman cover the subject from just about every angle with a dash of humor and the serious scientific curiosity it deserves stephen wagner author of true tales of the ouija board a superb study of how past present and future may be manipulated controlled and even altered back to the future and h g wells's the time machine might not be mere fiction after all nick redfern author of final events

nothing in this book is true but it's exactly how things are is an account of humankind's function within the grand celestial battle between internal and external knowledge author bob frissell gives a compelling account of our planetary ascent into higher consciousness presenting a big screen view of the earth through the experience of the ascended masters thoth babaji and drunvalo melchizedek pulling in all manner of conspiracy theories from the secret government to the philadelphia experiment frissell proposes both a core transdimensional shift based on the mayan calendar and a personal rapture mediated through the connected affirmed breaths of rebirthing that his teacher melchizedek used to travel from the other side of the universe to here breathing your own spacecraft merkaba out of and around your aura in order to travel through the astral realms the 15th anniversary edition of this cult classic is revised and expanded with new illustrations and 50 pages of important new information on the lucifer rebellion the solar storm and the final three breaths of the merkaba meditation
