Rabbi Isaac Leeser (1806-1868) of Philadelphia was responsible for the first Jewish translation of the Bible made for American Jewry. Leeser's considerable learning in matters biblical and rabbinic derived in major measure from the fine research then flowering in Germany and his translation of the Bible became in a short time the standard Bible for English-speaking Jews in America. I originally put this edition together, edited it and published it as a gift to my own father who loves this Bible version.
