for themselves in the turning tim winton gives us seventeen exquisite overlapping tales of second thoughts and mid life regret extraordinary stories of ordinary people from ordinary places here are turnings of all kinds changes of heart nasty surprises slow awakenings sudden detours where people struggle against the terrible weight of the past and challenge the lives they ve made for themselves

the theme of the planetary clock is the representation of time in postmodern culture and the way temporality as a global phenomenon manifests itself differently across an antipodean axis to trace postmodernism in an expansive spatial and temporal arc from its formal experimentation in the 1960s to environmental concerns in the twenty first century is to describe a richer and more complex version of this cultural phenomenon exploring different scales of time from a southern hemisphere perspective with a special emphasis on issues of indigeneity and the anthropocene the planetary clock offers a wide ranging revisionist account of postmodernism reinterpreting literature film music and visual art of the post 1960 period within a planetary framework by bringing the culture of australia and new zealand into dialogue with other western narratives it suggests how an antipodean impulse involving the transposition of the world into different spatial and temporal dimensions has long been an integral if generally occluded aspect of postmodernism taking its title from a florentine clock designed in 1510 to measure worldly time alongside the rotation of the planets the planetary clock ranges across well known american postmodernists john barth toni morrison to more recent science fiction writers octavia butler richard powers while bringing the us tradition into juxtaposition with both its english philip larkin ian mcewan and australian les murray alexis wright counterparts by aligning cultural postmodernism with music messiaen ligeti birtwistle the visual arts hockney blackman fiona hall and cinema rohmer haneke tarantino this volume enlarges our understanding of global postmodernism for the twenty first century

this volume offers a variety of perspectives on contemporary fatherhood from analyses of literature film drama and popular culture to issues tackled by psychology gender studies and social sciences arranged into thematic sections the chapters cover a wide range of approaches to fatherhood including studies and analyses based on fieldwork and interviews with participants each chapter discusses various culture dependent models of masculinity in relation to the topic of fatherhood depicted in works of literary and film art emphasizing the crucial factors and features which make all these models different from one another and using examples of

such cultural contexts as australia china indonesia brazil and iran with the use of methodological tools provided by literature studies film studies culture studies psychology gender and queer studies and sociology the book is a comprehensive insight into current research on both real life and fictional realizations of fatherhood

contents an open swimmer that eye the sky in the winter dark

winner of the australian vogel award for best first novel tim winton s an open swimmer is a meditation on past and present a story of madness and murder and of the punishing yet redemptive qualities of both fire and water a fishing trip marks the end of jerra and sean s friendship although once when they were younger and more innocent it would have seemed unbelievable that the bond between them first forged by their fathers and later sealed with their blood could ever be broken but growing up has meant growing apart the differences between them widening sharpening their teasing words into something crueller and less easy to forgive winton s writing is a heady blend of muscular description deep sentiment and metaphysics sunday telegraph

provides an overview of winton s writing closely examines six major novels including an open swimmer shallows that eye the sky in the winter dark lockie leonard cloudstreet the riders and the lockie leonard novels

tim winton s that eye the sky is a tale about a boy s vision of the world beyond and the blurry distinctions between the natural and supernatural at twelve years old morton ort for short is not quite a child but not yet an adult his isolated outback world is an intriguing combination of boyish innocence adolescent confusion and burgeoning awareness when his father is seriously injured in a car crash however that world is suddenly thrown into complete disarray and the whole family have to adjust as ort his sister mother and grandmother are struggling to come to terms with what has happened a stranger appears in their midst preaching god s word henry warburton s unexpected arrival seems eerily prescient at a time when the family most need a helping hand and henry quickly makes himself indispensable in fact for ort in particular it is henry s presence perhaps more even than his father s accident that brings the greatest change to his world the great strength of the novel is in the way the grotesque contrasts and

parallels in human life are spread out examined and accepted los angeles times

tim winton delivers a truly spine tingling thriller with in the winter dark when a man dreams things from the past you d think he d be able to rearrange them in new sequences to please himself but no in my dreams it all happens as it happened and i see it and be it again and again and the confusion never wears off people drift to the valley called the sink out of loneliness hardship or an affinity with the land it is an isolated place with a swamp and an old white bridge and the forest encroaching from all sides the solitude is tangible but when a mysterious creature is suddenly on the loose killing livestock and preying on everyone s deepest fears four inhabitants find themselves unexpectedly in one another s company with chilling results tim winton s raw and vibrant language makes the senses jump concentrated passionate invigorating writing independent on sunday a major work by anyone s standards mysterious painful and beautiful washington post

eclectic and impassioned a collection that affirms the power of the written word observer the boy behind the curtain is a portrait of a life a place and a man in this deeply personal collection of true stories and essays tim winton shows how moments from his childhood and life growing up have shaped his views on class faith fundamentalism the environment and most pressing how all his experiences have made him a writer from unexpected links between car crashes and faith surfing and writing to the story of his upbringing in the changing australian landscape the boy behind the curtain is an impassioned funny joyous astonishing collection of memories and winton s most personal book to date

essays on the literary historiography of australia provide an overview of prominent and influential australian writers of the literary and cultural movements from 1975 to 2000 a period marked by strong female voices and concern to represent the female experience discusses the wide stylistic sweep of the australian writers of this period the diversity of poetry dramatists who wrote scripts for movies and television and traditional genres such as fiction and drama

a story of risk and learning one s limits by challenging death now a major motion picture starring simon baker elizabeth debicki and richard roxburgh a new york times book review notable book of the year on the wild lonely coast of western australia two thrill seeking teenage boys fall under the spell of a veteran big wave surfer named sando their mentor urges them into a regiment

of danger and challenge and the boys test themselves and each other on storm swells and over shark haunted reefs the boys give no thought to what they could lose or to the demons that drive their mentor on into ever greater danger venturing beyond all caution in sports relationships and sex each character approaches a point from which none of them will return undamaged stunning in the depth of its audacity limitlessly beautiful prose the washington post book world a tender incisive sometimes brutal and always moving coming of age novel the prose is always astonishing the descriptions of sea and weather especially vivid the book seems as simple and as vital as the act of breathing itself the seattle times darkly exhilarating a tautly gorgeous meditation on the inescapable human addiction to the monotony of drawing breath whether you want to or not the new york times book review a coming of age novel written with tim winton s customary tenderness and vivid sense of place and psychological truth this is his most forceful and perfect novel to date colm tóibín new york times bestselling author

on childhood holidays to the western coast tim winton s days followed a joyous rhythm in the mornings the sun and surf kept him outside in the water in the afternoons as the horizon wobbled with mirages and the wind came in from the ocean he was driven inside to books in the simple peculiar shack that his family borrowed each year there was a small library a room with four walls of books a world unto itself land s edge a coastal memoir is a beautiful delicate memoir in which winton writes about his obsession with what happens where the water meets the shore about diving dunes beachcombing and the sense of being on the precarious wondrous edge of things that haunts his novels it is a book about the ebb and flow that became a way of life and that shaped one of our finest writers both a serial romantic and a truly gifted novelist mariella frostrup mail on sunday
