the road less traveled a collection of eight short stories by rochelle hamel focuses on a core of familiar themes as it explores the importance of community the value of romantic love the significance of family relationships and the hardship of loss the story the house by the road features jessie a runaway teen who strikes up an unlikely relationship with a feisty elderly woman in call me ali a pampered wife is the only survivor of a plane crash and in the wilds of canada she discovers her inner strength and grit mackenzie lewis tells the story of a widow who faces the difficult decision to save a family heritage in a modern day business world in winter of content claire a manhattan lawyer experiences the blizzards in the mountains of montana the collection follows the emotional journeys of women of different ages who discover an inner strength as they face an unknown future all have chosen the road less traveled a decision that changes their lives forever

the christian church is dwindling in many parts of the united states and countless children are growing up only to abandon their faith a well trodden secular path in child rearing has proven to lead to disaster and yet many christian families continue on it unsure of what to do differently or how to change course is there a better way by intertwining scripture with studies statistics and research townes outlines crucial

priorities for early childhood and helps parents build the all important foundation and framework of christian faith and virtue in their children's lives

every person has stories in their hearts wanting to be expressed seen through eyes and letting others know what life is maybe through those stories the person reading will be released from their bonds and are free inside to let their own stories come alive i like the daily snapshots they tell a brief lurid event happening at the moment stand back and let the story happen a fresh outlook in seeing the world around you

this revealing historical examination looks at the pivotal few months in the middle of the first world war when all sides germany britain and america believed the war could have been concluded and changed the course of history two years into the most terrible conflict the world had ever known the warring powers faced a crisis there were no good military options money men and supplies were running short on all sides the german chancellor secretly sought president woodrow wilson's mediation to end the war just as british ministers and france's president also concluded that the time was right the road less traveled describes how tantalizingly close these far sighted statesmen came to ending the war saving millions of lives and avoiding the total war that dimmed hopes for a better world theirs was a secret battle that is only now becoming fully understood a story of civic courage awful responsibility and how some leaders rose to the occasion while others shrank from it or chased other ambitions peace is on the floor waiting to be picked up pleaded the german ambassador to the united states this book explains both the strategies and fumbles of people facing a great crossroads of history the road less traveled reveals one of the last great mysteries of the great war that it simply never should have lasted so long or cost so much

susie a german travels with her husband to his homeland saudi arabia there she has to interact with saudi women who encounter polygamy secret relationships death and spinsterhood in their daily lives decisions have to be made that will determine susie's future happiness as she struggles to assimilate into the conservative way of life but will friendship love and faith make susie's journey worth it

now featuring a new introduction by dr m scott peck the twenty fifth anniversary edition of the classic bestseller the road less traveled celebrated by the washington post as not just a book but a spontaneous act of generosity perhaps no book in this generation has had a more profound impact on our intellectual and spiritual lives than the road less traveled with sales of more than seven million copies in the united states and canada and translations into more than twenty three languages it has made publishing history with more than ten years on the new york times bestseller list written in a voice that is timeless in its message of understanding the road less traveled continues to help us explore the very nature of loving relationships and leads us toward a new serenity and fullness of life it helps us learn how to distinguish dependency from love how to become a more sensitive parent and ultimately how to become one's own true self recognizing that as in the famous opening line of his book life is difficult and that the journey to spiritual growth is a long one dr peck never bullies his readers but rather guides them gently through the hard and often painful process of change toward a higher level of self understanding

autobiography swiss molecular biologist animal science dna fingerprinting professor urs kuhnlein is an accomplished molecular biologist a celebrated mountaineer and nature lover and a devoted member of an extended family that stretches from switzerland to canada and the united states he graduated from the eidgenössische technische hochschule zürich eth and the university of geneva in switzerland and excelled academically eventually becoming emeritus professor at mcgill university in montreal canada in this volume he vividly recalls his summit experiences from the first on the bietschhorn in the canton of wallis to denali in alaska his colleagues students friends family and like minded adventurers will recognize his keen interests in and rich insights into the diverse worlds captured in this memoir urs now lives on fidalgo island in the san juans of washington state

a powerful story touched with family trauma deprivation and adversity balanced by a life of hard work and philanthropy on the road less traveled is the inspirational story of edmund a hajim an american financier and philanthropist who rises from dire childhood circumstances to achieve professional success and personal fulfillment at age three hajim is kidnapped by his father driven from st louis to los angeles and told that his mother is dead his father soon abandons him in order to seek employment mostly in vain leaving his son behind in a string of foster homes and orphanages this establishes a pattern of neglect and desertion that continues for hajim's entire childhood forever leaving its mark from one home to another the lonely boy learns the value of self reliance and perseverance despite his financial deprivation and the trauma of being an orphan as time passes hajim displays a powerful instinct for survival and a burning drive to excel a highly motivated student and athlete he earns an nrotc college scholarship to the university of rochester serves in the united states navy works as an application research engineer then attends harvard business school where he finds that the financial industry is his true calling so begins his rapid ascent in the corporate world which includes senior executive positions at e f hutton lehman brothers and fourteen years as ceo of furman selz growing the company more than tenfold he also creates a happy and abundant family life though he never forgets what it means

to struggle at age sixty he is reminded of his painful past when a family secret emerges that brings the story full circle

a young man barely starting out in life is faced with a choice marry the beguiling young widow he has just met in an israeli kibbutz and become the father of her three children or return single to his empty life as a rabbinical student studying to be a reform rabbi although doubting the existence of god he believes that god is guiding him and he marries the young woman thus begins his trip down the road less traveled that will take him back to the states where he experiences the psychedelic 60s back to israel where he covers a very hot war while working for nbc television and on to belize where he becomes a gentleman planter and developer of thousands of acres of bananas and citrus only to return once again to the states where he confronts a decision that will change his life forever

cerebral palsy a developmental disease impacting motor coordination affects 3 out of 1 000 births while medical intervention such as physical or speech therapy ambulatory aides like wheelchairs or braces help a child achieve a productive life john brown was determined that he would leave his mark on the world born in the early 50 s with a type of spastic cp impacting his gait and balance but leaving his speech intact john and his strong willed mother fought against the times conventional wisdom and doctors predictions that he would never walk after an early childhood of repeated muscle lengthening surgeries and body braces he insisted upon leaving a special education school to be mainstreamed in the philadelphia catholic then public school systems and went on to play catholic grade school football and developed a keen interest in high school wrestling and football after completing a degree in broadcast journalism he embarked on a 44 year career as an award winning philadelphia radio disc jockey traffic reporter and meteorologist retiring in october 2013 from the childhood specialists who viewed him as just another special needs child to his first radio program director who called him a diamond in the rough john was determined to be the best in his field and demonstrate that hard work perseverance and some luck can help one trump the odds no matter the obstacles john s is a story of the american spirit how tears determination and true grit can get you to the top 1 00 from the sale of each book will be donated to the variety club

they were common everyday people just like ourselves but when the wind of the holy spirit swept into their lives they were stirred to live anything but ordinary lives with hearts wide open to the savior s leading they stepped out on to the road less traveled and never looked back across the years their voices continue to call out to us embark with them now on a life transforming journey by following in their footsteps in this study of the book of acts

from simon schuster exploring the road less traveled is alice and walden howard s study guide for small groups based on m scott peck s classic bestseller after careful field testing over a period of years group leaders alice and walden howard now present a companion volume an experiential guide that enriches our understanding of dr peck s phenomenal work

a global dynamics researcher has a breakthrough on her project visualizing another dimension and since gd s experiments have a bad tendency to affect the entire town sheriff jack carter heads over to check it out what he sees blows him away the project has revealed a parallel universe complete with another eureka one in which carter doesn t exist but as the two worlds begin to bleed into each other and residents confront their alternate selves carter may be the one man who can keep both eureka s from being destroyed

i try to tell people be real with yourself with real problems in a real world itself it s real but don t let your guard down not for one bit and that road that you are traveling on is just around the corner just a few steps through your soul a close encounter comes you have a burning passion inside of you and you do not know what to do sometimes we can go too fast on our own road slow down try to catch up with god and he has been there with you the whole time by your side so get up don t quit i am 38 years old with just a high school diploma in 1991 a born again christian single guy and blessed to have my mom and dad still living and the family is growing i have accomplished a lot of stuff but not enough in life by comparing to this book i think it was time for the world to know my small talent i can express myself when god comes in more than i can speak it so it has grown very fast over the years it was a small blank page journal started out to be and the rest is history

a compilation of a series of lectures given by the author in relation to his book the road less traveled

life is difficult this is a great truth one of the greatest truths a timeless classic in personal development the road less travelled is a landmark work that has inspired millions drawing on the experiences of his career as a psychiatrist scott peck combines scientific and spiritual views to guide us through the difficult painful times in life by showing us how to confront our problems through the key principles of discipline love and grace teaching us how to distinguish dependency from love how to become a more sensitive parent and how to connect with your true

self this incredible book is the key to accepting and overcoming life's challenges and achieving a higher level of self understanding

in a provocative manner bishop mallory crosses boundaries of orthodoxy and raises some issues not commonly discussed such as a possible christian approach to reincarnation betrayal as a normal part of life the common thread in all religions praying for ones enemies by name and not believing everything you think in other roads less traveled he presents a collection of sermons and meditations that ask and answer a wide range of questions who is god to you what happens when we die whats the meaning of life whats the value of prayer whats the good of other world religions like judaism islam hinduism taoism and buddhism how do we fight a war on terrorism practical and down to earth other roads less traveled is a compilation of work derived from fifty years in the ministry it reflects dr mallorys experiences living and working in more than a dozen third world countries including eighteen years in africa where he and his family lived under the apartheid regime of south africa and the deadly reign of idi amin in uganda with the overarching theme of truth and justice mallorys messages gather together his many experiences of a worldwide ministry
