did it happen that a basketball coach and mediocre teacher of history from the
midwest wound up in india after one of the countless famines that had struck the
country this one more severe than others because of the rice crop which failed in
bengal after independence and partition the united states sent aid to this
fledgling democracy of course the problem was this india could not repay its
debts except in rupees what was the united states to do with hundreds of millions
of rupees that could only be spent in india one of the poorest countries on the
face of the earth senator fulbright came up with the solution the united states
would send teachers to india to study and spend those rupees there and so it was
that richard and louise farrell and their daughter kitty went to india to study and to
travel in order to learn about one of the oldest cultures on earth

language in the buddhist tantra of japan dismantles the preconception that buddhism is a religion of mystical silence arguing that language is in fact central to the buddhist tradition by examining the use of extraordinary language evocations calling on the power of the buddha in japanese buddhist tantra

richard k payne shows that such language was not simply cultural baggage carried by buddhist practitioners from south to east asia rather such language was a key element in the propagation of new forms of belief and practice in contrast to western approaches to the philosophy of language which are grounded in viewing language as a form of communication this book argues that it is the indian and east asian philosophies of language that shed light on the use of language in meditative and ritual practices in japan it also illuminates why language was conceived as an effective means of progress on the path from delusion to awakening

this striking work prepared through the enthusiasm of professor conder who was professor of art and architecture to the japanese government is particularly important as it includes six woodblocks by tsukioka yoshitoshi deemed to be perhaps the finest print designer of the period 1839 1892 a kuniyoshi pupil who stands almost alone in expressing ukiyo e vigor during the years of social political and artistic upheaval

a semi autobiographical novel about a punk rock teenager in wutherington beach southern california with his punk rock friends he steals marijuana plants from his neighbor s backyards smokes them in the group s underground club house and shop lifts for munchies on a daily basis however on one summer afternoon while trying to hide a large bag of marijuana in his family s apartment s garage he discovers his dead father s revolutionary book collection the things he reads in these books open his eyes wide to the nefarious history of the us government and the nefarious nature of their foreign and domestic policy this awakening causes him to search for other like books which further awaken him to the need for revolutionary change in his county however the more he learns the more bewildered he becomes and the more withdrawn he becomes from school and social life until he is on the brink of total despair what finally saves him are the books in his father s collection about buddhism
