after decades of warfare malazan forces are now close to consolidating the quon talian mainland yet it is at this moment that emperor kellanved orders a new campaign far to the north the invasion of falar since the main malazan armies are otherwise engaged in quon tali a collection of orphaned units and broken squads has been brought together under fist dujek himself recovering from the loss of an arm to fight this new campaign a somewhat rag tag army joined by a similarly motley fleet under the command of the emperor himself there are however those who harbour doubts regarding the stewardship of kellanved and his cohort dancer and as the malazan force heads north it encounters an unlooked for and most unwelcome threat unspeakable and born of legend it has woken and will destroy all who stand in its way most appalled by this is tayschrenn the untested high mage of the empire he is all too aware of the true nature of this

ancient horror and his own inadequacy in having to confront it yet confront it he must alongside the most unlikely of allies and then the theocracy of falar is itself far from defenceless its priests are in possession of a weapon so terrifying it has not been unleashed for centuries named the jhistal it was rumoured to be a gift from the sea god mael but two can play at that game for the emperor sails towards falar aboard his flagship twisted a vessel that is itself thought to be not entirely of this world here in the ice wastes and among the islands of falar the empire of malaz faces two seemingly insurmountable tests each one potentially the origin of its destruction these are bloody turbulent and treacherous times for all caught up in the forging of the malazan empire

before the malazan empire there was a time that set the stage for all those tales yet to be told the winter is bitter civil war threatens kurald galain for the warrior urusander s army has begun its march on the city of kharkanas led by the ruthless hunn raal it intends to cast aside mother dark s consort draconus and set urusander himself on the throne beside the living goddess those who would stand in the way of the rebels lie scattered and weakened leaderless since anomander went in search of an estranged brother in his stead silchas ruin resolves to gather the houseblades of the highborn families to him and to resurrect the legendary hust legion but time is not on his side far to the west an unlikely army musters it seeks an enemy without form in a place none can find and yet hood s call has been heard and the long abandoned city of omtose phellack is now home to a rabble of new arrivals dog runners from the south jheck warriors and blue skinned strangers from across the western sea have come to offer hood their swords from the distant mountains and isolated valleys of the north thel akai arrive to pledge themselves in this seemingly impossible war soon they will set forth with weapons drawn under the banners of the living in pursuit of death itself such events presage chaos and now magic bleeds into this realm unconstrained mysterious and savage it begins to run loose and wild and following its scent seeking the places of wounding and hurt new and ancient entities gather in a world becoming rotten with sorcery can honour truly exist

it is a bitter winter and civil war now ravages kurald galain as urusander s legion prepares to march upon the city of kharkanas the rebels only opposition lies scattered bereft of a leader since anomander s departure the last brother remaining silchas ruin rules in anomander s stead he seeks to gather the houseblades of the highborn noble families and resurrect the hust legion in the southlands but is fast running out of time the officers and leaders of urusander s legion led by hunn raal want the consort draconus cast aside and vatha urusander wedded to mother dark taking his place on a throne at the side of the living goddess but this union will be far more than political as a sorcerous power has claimed those opposing mother dark given form by the exiled high priestess syntara the cult of light rises in answer to mother dark and her children

returning readers to the turbulent early history of what would become the malazan empire the second chapter in ian c esslemont s thrilling new epic fantasy sequence after the disappointments of li heng dancer and kellanved wash up on a small insignificant island named malaz immediately of course kellanved plans to take it over to do so they join forces with a small band of napans who have fled a civil war on their own home island the plan however soon goes awry as kellanved develops a strange and dangerous fascination for a mysterious ancient structure found on the island the chaos in the region extends to the metaphysical planes also as a young priest of d rek starts to question the rot at the heart of the worship of the god of decay and back in li heng dassem now the proclaimed sword of hood finds himself being blamed for a plague which leads him to a crisis of faith and searching for answers during all this war with the neighbouring island of nap threatens recruited allies wonder at kellanved s sanity and powerful entities take more of an interest in the little mage from dal hon dancer faces a hard choice should he give up on his partnership especially when the fellow s obsession with shadows and ancient artefacts brings the both of them alarmingly close to death and destruction after all who in his right mind would actually wish to enter an elder mystery known to everyone as the deadhouse
