shobha de has emerged as a major novelist on the indian literary scene from her first novel *socialite* evenings to the recently published autobiographical work *speedpost* she has evolved as a sensitive writer the book comprising more than thirty critical essays makes a pioneering attempt at exploring de's fictional world that has aroused so much curiosity and interest amongst the readers

feminism with its thrust on gender and sexuality has played a vital role in studying the constructions of masculine and female identities and the constructions of heterogeneous sexuality homosexuality bisexuality and the erotic sensibility the study is founded on the various perspectives from biology sociology linguistics and psychoanalysis this anthology covers a detailed study on feminism and its various aspects the volume examines feminist female writers like kamala markandaya toni morrison shobha de shashi deshbande alice walker and the post colonial indian female giants gayatri chakravorty spivak arundhati roy and bharati mukherjee

comprises 20th century english literature from india

contributed articles

contributed articles covers the period 20th century

brief biographical sketches and major literary achievements of eminent indian women writers

this is a remarkable collection of information on indian women's writing written originally in english beginning from the 19th century it introduces 444 writers of poetry and fiction now it has been a part of common critical parlance to say that the indian english women's writing is in

ascendancy one aim of this bibliography is to illustrate this phenomenon and to emphasise the variety of writing writers included in the bibliography come from all over india and from the indian diaspora all over the world another aim of this bibliography is to make us aware of the constructed nature of writerhood a given writer's texts do not exist and circulate in a vacuum but in a context we can see that indian english women's writing is taking place but what we do not see is the critical establishment that is literary scholars and critics taking much note of it

india once a major civilizational and economic power that suffered centuries of decline is now newly resurgent in business geopolitics and culture however a powerful counterforce within the american academy is systematically undermining core icons and ideals of indic culture and thought for instance scholars of this counterforce have disparaged the bhagavad gita as a dishonest book declared ganesha's trunk a limpphallus classified devi as the mother with apenis and shiva as a notorious womanizer who incites violence in india

collects 12 essays that try to study the fate of indian women in a conventional and at the same time a fast developing society though all the contributors are males but none are fanatics to allow their prejudices to cloud their vision
