best moving pictures i ever saw thus did one vaudeville theater manager describe georges méliès s a trip to the moon le voyage dans la lune after it was screened for enthusiastic audiences in october 1902 cinema s first true blockbuster a trip to the moon still inspires such superlatives and continues to be widely viewed on dvd on the internet and in countless film courses in fantastic voyages of the cinematic imagination leading film scholars examine méliès s landmark film in detail demonstrating its many crucial connecions to literature popular culture and visual culture of the time as well as its long afterlife in more recent films television and music videos together these essays make clear that méliès was not only a major filmmaker but also a key figure in the emergence of modern spectacle and the birth of the modern cinematic imagination and by bringing interdisciplinary methodologies of early cinema studies to bear on a trip to the moon the contributors also open up much larger

questions about aesthetics media and modernity in his introduction matthew solomon traces the convoluted provenance of the film s multiple versions and its key place in the historiography of cinema and an appendix contains a useful dossier of primary source documents that contextualize the film s production along with translations of two major articles written by méliès himself

music the market and the marvellous examines féerie the french fairy play in the last third of the nineteenth century it is among the first book length studies on the genre the first in a language other than french and the first from a musicological perspective sabbatini demonstrates that contrary to conventional wisdom féerie was still thriving during the fin de siècle giving rise to innovations such as composerly féerie and scientific féerie the plays the theatre industry and urban geography are discussed together as befits a commercial genre where the marvellous was shaped by the market recovering this forgotten but once hugely influential repertoire provides an occasion to rethink generic taxonomies of parisian theatre and the ontology of nineteenth century popular theatre

the french explorer surveyor cartographer and diplomat samuel de champlain c 1575 1635 is often called the father of new france for founding the settlement that became quebec city governing new france and mapping much of the st lawrence and eastern great lakes region champlain was also a prolific writer who documented his experiences in the americas including his travels impressions of the new world and encounters and alliances with native peoples
