professor bernice summerfield interstellar archaeologist adventurer and romantic has had either
one very big life or a number of only slightly smaller ones this anthology contains stories from
many times and places across her long career ranging from the starkly dramatic through the
thrilling to the hilarious

every story ever told really happened the doctor hell bent 2015 stories are fundamentally what
doctor who is all about in once upon a time lord ivan phillips explores a wide range of perspectives
on these stories and presents a lively and richly varied analysis of the accumulated tales that
constitute this popular modern mythology concerned equally with classic and new who phillips

looks at how aspects of the time lord s story have been developed on television and beyond tracing lines of connection and divergence across various media he discusses doctor who as a mythology that has drawn on its own past in often complex ways at the same time reworking elements from many other sources whether literary cinematic televisual or historical once upon a time lord offers an original take on this singular hero s journey reading the unsettled enigma of the doctor in relation to the characters narratives and locations that he has encountered across more than half a century

who but professor bernice summerfield interstellar archaeologist raconteur boozier and wit would get other people to write her autobiography albeit under threat of death from two bounty hunters sent by a publisher far too concerned about little things like deadlines these stories are an ideal introduction to the life of bernice summerfield falling off cliffs getting sacrificed to orange pygmies saving the universe and trying to buy a new outfit
