a black jewish dialogue lifts a veil on these groups unspoken history changing a narrative often dominated by the grand alliance and its fracturing by engaging this history from our country s origins to the present blacks and jews in america models the honest and searching conversation needed for blacks and jews to forge a new understanding

despite the enlightenment s promise of utopian belonging among all citizens blacks and jews were excluded from the life of their host countries in their diasporic exile both groups were marginalized as slaves aliens unbelievers and frequently not fully human the

identity question blacks and jews in europe and america explores the effects of diaspora upon black and jewish consciousness demonstrating similar histories of marginality and oppression casting off the fixed social categories of an earlier age enlightenment thinkers argued that all men in their capacity as citizens of a secular state had the right to full civic participation and equal protection under the law in theory such an ideology did not recognize classes or races of men automatically excluded from citizenship in fact negative images of blacks and jews continued to inform european thought and policy providing a rationale for a thriving slave trade abroad and continued oppression of jews at home thus blacks and jews were forced to define themselves in accordance with or in opposition to european ideas about who they were of necessity blacks struggled against the stereotypes of black barbarism and bestiality jewish intellectuals protested their alleged moral unfitnes to participate in society while proclaiming primary allegiance to their host country rather than to other jews central to this examination are four key autobiographies two from the late 1700s and two from recent history the autobiographies of richard wright and alfred kazin taken as prime twentieth century american expressions of racial and ethnic identity reveal striking similarities to their enlightenment counterparts in europe the black olaude equiano and the jewish salomon maimon equiano maimon kazin and wright all accept the ultimate desirability of western culture all believe in the enlightenment promise all were ostracized by the larger political cultures of great britain germany and america but each made an arduous journey from the ethnic margins of language culture and tribal loyalty to the cosmopolitan center of london berlin chicago or new york these modern european conceptions of black and jewish identity as well as the modern forms of racism that came to term in the eighteenth century entered america whole cloth consequently american intellectual and social history of the twentieth century mirrors the same movements toward acceptance and ostracism that had existed in enlightenment europe

dr ben destroys the myth of a white jewish race and the bigotry that has denied the existence of an african jewish culture he establishes the legitimacy of contemporary black jewish culture in africa and the diaspora and predates its origin before ancient nile valley civilizations

parfitt explains how many african peoples came to think of themselves as descendants of the ancient tribes of israel pursuing medieval and modern race narratives over a millennium in which jews were cast as black and black africans were cast as jews he reveals a complex interaction between religious and racial labels and their political uses

from the editor of debating p c comes an impressive new anthology of essays and historical perspectives on the long ambivalent historically complex and often volatile relationship between american jews and african americans contributors include james baldwin cynthia ozick henry louis gates jr julius lester and others

in recent scholarship academics have focused primarily on areas of conflict between blacks and jews yet in the long struggle to bring social justice to american society these two groups have often worked as allies in both the organized labor and the civil rights movements demonstrating the complexity of the relationship of blacks and jews in america african americans and jews in the twentieth century examines the competition and solidarity that have characterized black jewish interactions over the past century these essays provide an intellectual foundation for cooperative efforts to improve social justice in our society and are an invaluable resource for the study of race relations in twentieth century america copyright libri gmbh all rights reserved

this volume explores the myriad ways in which african american religions have encountered jewish traditions beliefs and spaces in contrast to previous works which have typically focused on the social and political relationship between blacks and jews black zion places religion at the center of its discussion thereby illuminating a critically important but little explored aspect of black jewish relations in america the essays gathered here examine groups such as the nation of islam and the hebrew israelites individuals such as martin luther king jr and abraham joshua heschel and topics such as the transformation of synagogue space into african american churches and the symbolic role of the jew in the haitian religious imagination this collection draws on sacred texts interviews and ethnographic and archival research to discuss the shared elements in black and jewish sacred life as well as the development and elaboration of new religious identities by african americans featuring contributions from a group of renowned scholars and writers this groundbreaking volume reveals a great deal about both african american religions and the meaning of judaism in the contemporary world it is essential reading for students of religion history cultural studies black studies and american studies

much has been written about the relationship between blacks and jews in america some texts highlight the mutual struggle for social justice whilst others depict mutual accusations of racism this text portrays the full complexity of black and jewish relations in the us over the past 300 years

the importance of blacks for jews and jews for blacks in conceiving of themselves as americans when both remained outsiders to the privileges of full citizenship is a matter of voluminous but perplexing record a monumental work of literary criticism and cultural history strangers in the land draws upon politics sociology law religion and popular culture to illuminate a vital highly conflicted interethnic partnership over the course of a century

tudor explains how many african peoples came to think of themselves as descendants of the ancient tribes of israel pursuing medieval and modern race narratives over a millennium in which jews were cast as black and black africans were cast as jews he reveals a

complex interaction between religious and racial labels and their political uses

a major reevaluation of relationships among blacks jews and irish in the years between the irish famine and the end of world war ii the colors of zion argues that the cooperative efforts and sympathies among these three groups each persecuted and subjugated in its own way was much greater than often acknowledged today for the black jewish and irish writers poets musicians and politicians at the center of this transatlantic study a sense of shared wrongs inspired repeated outpourings of sympathy if what they have to say now surprises us it is because our current constructions of interracial and ethnic relations have overemphasized conflict and division as george bornstein says in his introduction he chooses to let the principals speak for themselves while acknowledging past conflicts and tensions bornstein insists on recovering the lost connections through which these groups frequently defined their plights as well as their aspirations in doing so he examines a wide range of materials including immigration laws lynching hostile race theorists nazis and klansmen discriminatory university practices and jewish publishing houses alongside popular plays like the melting pot and abie s irish rose canonical novels like ulysses and daniel deronda music from slave spirituals to jazz poetry and early films such as the jazz singer the models of brotherhood that extended beyond ethnocentrism a century ago the author argues might do so once again today if only we bear them in mind he also urges us to move beyond arbitrary and invidious categories of race and ethnicity

young people speak about being identified as part of an ethnic minority in the united states

a study on being black and jewish in the united states author discusses bi racialism and how and why african americans of jewish descent identify themselves with other groups who have had a history of legal political and racial discrimination such as
